In-Person Worship: Consistent with the recommendations of the Living Skies Regional Council and the United Church of Canada, we will reopen our physical space and resume traditional services when we can be confident that we can do so in a manner that is meaningful for our community and is safe for every member of our congregation. We will continue to keep you informed as our plans unfold. The Leadership Team has established a "Return to Worship Task Group" to discuss the protocols and possibilities for gathering in-person. If you are interested, or have feedback, please let [Sarah Tkachuk](#) know. We will review again in January.

What does church look like on the other side of COVID? How do we handle meeting in person while also meeting online? How does this experience fundamentally reshape our ministries? What are the big theological questions raised by this

global pandemic? How shall we lead? We've come a long way over the past year, and now we face new challenges as we imagine what church looks like moving forward. During the **Courageous Church Online Summit May 10-14**, will dive into these questions, hearing from leading voices and provocative thought leaders on the next best steps for our vital progressive faith movement. Find more information and register [HERE](#). We hope to gather in the evenings that week to watch some sessions together.

We are continuing the A Work of Art, Culture and Its Story during worship! If you have a piece of work or cultural item that has a story or holds spiritual meaning for you and would like to share on Sunday during worship, please let Russell know.

Volunteer Positions: Eastside United is looking to fill a rotating roster of volunteers to help run live-streaming technology during in-person worship on Sundays once we are able to return to being in-person. This will include: running PowerPoint during worship, hosting and monitoring the stream over Zoom and Facebook Live, as well as operating the remote-controlled web cam. Please email eastsideunited@sasktel.net to volunteer, or for more information. **We need the volunteers in place and trained before we can return to in-person worship**

Cloth Masks: It is now recommended that we double mask, and one suggestion is to wear a cloth mask over a surgical mask. It is very important to wear masks when we are out in public, especially indoors. **It is now policy to wear a mask when in the church building.** If you would like a mask, please email the office indicating how many masks you need, and we will connect you with someone making masks. Elastic is needed if you have any! Thanks to Clare Banks, Wanda Barr, Gladys Olekson, Nancy Cranfield, Jean MacKay who are willing to make masks. More sewers are welcome!

PAR and M & S Donations: If you would like to add or increase PAR and/or M&S offerings, please contact Harvey and he will help you get set up or make changes. Email eastsideunited@sasktel.net to let Harvey know what changes you would like to make, and he will submit the changes for processing.

Hello Neighbour Card Reminder: If you would like to and are healthy enough to do so, download a Hello Neighbour card that was sent with the **weekly email** to let people know you're available to help! By putting these cards in mailboxes, it allows those of use who are well to help the people around us who may need it. **This is more important again as we are asked to reduce our contacts and go out less!**

Lumsden Beach Camp: You can enroll your camper in a Lumsden Beach Camp session starting at 7:30am on March 1. We will open registration for 8 sessions, plus Family Camp, and our Leaders In Training Program. You can check out the schedule [right here](#). Additionally, they are utilizing a new registration system this year. [Follow this link to the registration site.](#)

Text In Church: We are trying something new! We have a 60 day trial of Text in Church which allows us to send group texts and e-mails about events and for newcomers. If you would like to receive text notifications about special services and events at Eastside, text the word 'Loop' to 306-517-6797.

Were you unable to attend worship in the past? Don't worry about it! You can find a video recording of past services online. Visit our website [HERE](#) to find uploaded videos of service. They are also on Facebook, starting Feb 14.

Please share your favourite hymns with us! Let us know by filling out this Google Form [HERE](#).

Dethroning Mammon - A Stewardship Book Discussion for Lent

Dethroning Mammon: Making Money Serve Grace is a book by the Archbishop of Canterbury Justin Welby in which he looks at the subject of money and materialism. Designed for study in the weeks of Lent, *Dethroning Mammon* discusses how our own attitudes and the pressures of society affect how we handle the power of money (Mammon). Reading and reflecting on the book will help us think more fully about the power of money in our lives and our world. Over six weeks we can grow as disciples and stewards through reading, conversing, and praying together.

What: a one-hour book discussion (one chapter a week) via Zoom

When: Tuesdays (March 16, 23 and 30) at 1 pm CST

Who: led by Archdeacon Cheryl Toth (Stewardship Officer with the Anglican Diocese of Qu'Appelle) and up to 12 participants

How: register by emailing Cheryl at stewardship@sasktel.net

How do I get the book? Books have been ordered through Regina bookstore The Penny University. You are asked to contribute the cost of your book. E-versions of the book are available.

This study is open to people of all denominations and is offered in the spirit of LAURC, the covenant between the Lutheran (ELCIC), Anglican, Ukrainian and Roman Catholic churches in Saskatchewan.
