TERMS AND CONDITIONS

As a condition to using any of the services of Allyn's Dry Cleaners, and for the mutual benefit of both Allyn's and its customers, you agree to the following terms and conditions. We reserve the right to make changes at any time to the policies and procedures outlined herein. Changes will be updated in the School section of our website.

We are committed to protecting your privacy at Allyn's. We will not collect any personal information from you that you do not volunteer, and we are the sole owner of all information collected on this site. We will never sell, share, or rent this information to others in any way that we have not mentioned in this statement.

STUDENTS - PLEASE NOTE:

All plans, both Premium and Basic, are for Individual use ONLY. Sharing of plans, by intentionally allowing another student to wash their items under your plan, constitutes immediate forfeiture of service with no refund provided.

Allyn's strongly recommends, altho it is not mandatory, to label garments with a personalized iron-on name tag, easily purchasable on Amazon and other websites.

Allyn's will be picking up one (1) bag, rated for 50 pounds, of dirty laundry per student, each week.

NOTE: Each student receives two laundry bags, one to be at Allyn's with dirty items being cleaned, while the second bag remains with the student accumulating items for the next pick-up. Students that either submit both Allyn's bags in one pick-up, or one Allyn's bag with another nondescript bag, **will be charged an extra \$50 charge for that week.** No exceptions.

Allyn's does not offer services on academic weeks in which there are less than five days of school unless otherwise determined by Allyn's at its discretion (i.e. Thanksgiving, Winter Break, and Spring Break).

Please DO NOT SEND any clothing that has been decorated with "arts and crafts" personalization such as glitter, puff paint, tie dye, etc. In addition to not being able to withstand our cleaning process, these types of garment may damage your other clothing. We will not be held responsible for any damage to or from decorated garments.

If a student feels an item of their clothing has gone missing, it is the student's responsibility to report it immediately to Allyn's Dry Cleaners and/or to Sasha Skulsky, Dean of Student Life, so the issue can be resolved in a timely manner. Allyn's keeps detailed records of items submitted on a weekly basis, but reporting an item missing weeks later will make resolution difficult, if not impossible.

Although Allyn's makes every effort to return personal items left in clothing, please do not leave items in clothing or laundry bags. Please check your clothing for pens, markers, lip balms, wallets, electronics, remove all pins and/or belts. We will not be responsible for damage caused to or by items left in pockets and/or loss of the same.

Allyn's accepts no responsibility for items left in pockets, regardless of value, becoming lost or damaged, and accepts no responsibility for repairing or replacing said items, described in the preceding paragraph, that become damaged and/or lost in the cleaning process. All cash found in laundry will be returned to the student or school. Please feel free to call or email Allyn's. Do not send paper notes in your laundry bag or attach them to your clothing. Allyn's is under no obligation to address issues presented to us in this way.

PAYMENT

I agree that Allyn's Dry Cleaners has been granted permission to bill charges immediately to the credit card number I have provided for service towards the 2024-2025 Full Academic Year. I further understand that Allyn's has been granted permission to bill any current outstanding charges from the previous academic year(s)/summer program(s) immediately to the credit card number that I have provided with this order.

The pricing given for both the "Premium Plan" and the "Basic Plan" is guaranteed for those students that sign up by August 1, 2024. If a student is enrolled for the School start date of September 12, 2024 and a valid application, including credit card information, has not been submitted to Allyn's Dry Cleaners by August 1, 2024, a late fee of \$50(+tax) will incur. If a student enrolls at Woodhall after September 12, 2024 the late fee will be waived, but the cancellation policy will still apply.

Allyn's will provide scheduled weekly laundry service during the Term of this Agreement. Allyn's will not provide any services to students that are not paid for in advance (or on an active payment plan) or for whom accounts have become delinquent for over 30 days.

CANCELLATION

A written cancellation request must be emailed to **AllynsDryCleaners@gmail.com** to cancel services and receive a partial refund. Cancellation requests will be handled on a case by case basis only for students who have withdrawn from school. Proof of withdrawal is required and you must contact us within 30 days of the date of withdrawal. Cancellation exception refunds that are approved will be prorated as follows:

Cancellation prior to Sep 12, 2024 will be 100% less an \$85 administration fee.

prior to Oct 15, 2024 = 80%	prior to Nov 15, 2024 = 65%	prior to Dec 15, 2024 = 50%
prior to Jan 28, 2025 = 35%	prior to Feb 28, 2025 = 20%	prior to Mar 28, 2025 = 5%

No refunds requests are granted on/after March 28, 2025.

SERVICE POLICIES

It is the student's responsibility to ensure that they have their laundry bag (once service commences) left at the agreed upon day, time, and location. Allyn's does not make it a policy to make a return trip for missed pickups, nor credit accounts for missed pickups, but we're willing to be reasonably flexible and will make accommodations as best we can. Allyn's reserves the right to adjust pick-up and drop-off times at its own discretion (due to weather events, for instance) and reserves the right to reschedule such times upon prior notice to Customer.

Students with the "Premium plans" can have their comforter or blanket cleaned up to five (5) times during the academic year. **Extra charges will be incurred for exceeding the five (5) times per year.**

CLEANING POLICIES

Allyn's strives to ensure its cleaning service maintains the highest quality of service to customers by employing the latest in products and equipment. Please note that we are a commercial laundry that uses commercial equipment. All processing is done in our facility by dry cleaning experts who have decades of experience in all areas of our operation. Clothing that you normally wash and dry in your home machines may be processed differently at our facility. We always use our years of professional experience and best judgment to determine what goes through our wash/dry/fold process and what goes through our gentle care processing or dry cleaning process.

If you have signed up for Allyn's Basic plan, Allyn's cleaning experts will clean garments in the manner that Allyn deems most appropriate to ensure their proper care. For items that cannot be laundered and need dry cleaning or a gentler cleaning process (for instance, all sweaters are always dry cleaned), you will be charged per piece for cleaning charges to the credit card that is on file on a monthly basis.

Though we carefully inspect all clothing to determine what can go through our wash/dry/fold process vs. what needs gentle care or dry cleaning, please note that regardless of the plan purchased:

In the absence of a care label, or if the care label has special instructions for extremely gentle care (hand wash, lay flat to dry, line dry, spot clean only or any other similarly restrictive special care instructions), special buttons or clasps or decorative embellishments, Allyn's will clean them the best way we know how, but we cannot be responsible for damage to items. (Please note that these special instruction care labels are being found more and more on "team wear" like soccer and football jerseys and on items with appliqués or iron on decals.) Please read the labels on ALL garments carefully before sending them in for cleaning.

All underwear/undergarments (including delicates) and bathing suits are always washed/dry regardless of care label and we place all underwear and bathing suits in nets to help protect them during cleaning and drying.

Allyn's does not gentle care or dry clean everyday items such as t-shirts, sweatshirts, hoodies, or jeans. Allyn's standard procedure as it relates to the cleaning of t-shirts, sweatshirts, hoodies, and jeans is to launder these items. Allyn's assumes no liability for the laundering of these everyday items.

Please do not send any coated (wax, metallic, etc.) jeans or other garments in for cleaning. We are unable to process coated garments and will not be held liable for ANY damage to such items.

The Following Items Will Not Be Processed, Please Do Not Send Even If Labeled As Washable – Sneakers (shoes, boots, etc.), backpacks, totes, hats, stuffed animals, electric blankets, rugs, bath mats, curtains, leathers, suedes, cushions, or pillows.
