

2019-2020 Walker's Grove PTO Membership Form

Becoming a PTO member is the easiest way to be a part of the PTO. Your annual support of \$15 per family helps fund events, programs, classroom parties and more. The PTO is made up of teachers, staff and parents. Joining the PTO is a great way to meet people, show your support of our programs and allows for extra perks throughout the year, like advanced notice of upcoming events such as Pizza Bingo and parent-child events.

Do you want to be more involved? There will be plenty of opportunities throughout the year that we will need parent volunteers to help facilitate events. We can't do these events without our volunteers! Whether you can give us 30 minutes or 3 hours of your time at an event, we appreciate it!
