The Star Spangled Banner

Verse 1

*Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming
Whose broad stripes and bright stars thru the perilous fight,
O'er the ramparts we watched were so gallantly streaming,
And the rockets red glare, the bombs bursting in air
Gave proof through the night that our flag was still there.
Oh, say does that Star-spangled banner yet wave,
O'er the land of the free and the home of the brave.*

Verse 4

*Oh, thus be it ever, when free men shall stand
Between their loved homes and the war's desolation
Blest with victory and peace, may the heav'n rescued land
Praise the Power that hath made and preserved us a nation,
Then conquer we must, when our cause it is just,
And this be our motto, "In God is our trust"
And the Star-spangled banner in triumph shall wave
O'er the land of the free and the home of the brave.*

God Save the King

*God save our gracious King,
Long live our noble King
God save the King.*

*Send him victorious,
Happy and victorious,
Long to reign over us, God save the King.*
