

## Emergency Plans

The Northwest Wyoming Board of Cooperative Educational Services will have in place emergency procedures.

These procedures will be given to all staff. All staff will be responsible for becoming familiar with these procedures and responsible in their implementation in the case of an emergency. The emergencies included are:

Tornado

Fire/explosion

Flood; blizzard; severe storms

Civil disturbance

Earthquake

Bomb threat

National Emergency/Nuclear attack

Hazardous material

Person with a weapon

Chemical or hazardous material spill

Medical emergencies

Road emergencies

Other disasters/emergencies

\* Refer to NW BOCES State of Health & Safety Policy
