

Entering Tempe Race Site:

Please use the entrance shown in the first picture below to the race site, which is off W Baseline Road. A sign will be posted to mark the dirt road just next to the railroad tracks. Then follow the dotted line in the second picture to the race site. About 2/3 down the route you will turn left onto the park sidewalk. Remember to be courteous to pedestrian traffic in the park, there will be a walk/run event on Saturday morning so there will more than normal foot traffic.

As soon as you have unloaded your equipment, please proceed back the same route to Baseline Road and then enter the main park entrance to the east for parking.
