*Thank  
you*

To my church family,

It has been said that everything in life happens for a reason, although sometimes we aren't certain of why God does what He does or how it's all going to work out, we are comforted in knowing that "all things work together for the good of them who love the Lord ..." One year ago, I had no idea why God was placing this opportunity in my path, but I am thankful that He did. I have learned so much since making this transition, and everyday my love for you grows stronger and stronger.

To our Senior Minister, thank you for following the lead of God, seeing something in me, and inviting me to come and share in this ministry and perpetuate the partnership of preacher and people. To our supporting servants (our elders and deacons), thank you for being such a warm and welcoming group of men, I am thoroughly enjoying our working relationship as we strive to continue to lead the people of God.

Finally, to you, the society of saints, thank you so much for the magnanimous privilege of serving you. Throughout this past year we have cried, laughed, prayed, praised, hurt, healed, given, but most of all grown. I look forward to many more days of service, as we continue to claim our city for Christ! Thank you for a "fanta-glorious" and life-changing first year! Here's to a thousand more!

*Your brother by His blood, Andrew M. Braxter*
