## *Dad's in the Hood* 2016

On the evening of April 30<sup>th</sup>, Sun Tree Park was overtaken by tents, activities, and families. The

Dads in the Hood event brought together more than 500 families. This year, participants enjoyed rock climbing, a bounce house, "hamster wheel" course, petting zoo, and balloon animals. Dinner was provided along with a movie in the park at sunset. After a nice night of camping, Dads in the Hood goers enjoyed a taco and donut breakfast before dispersing back to their homes. The River Place Board wants to thank the River Place HOA for hosting the event and hopes all that participated had a wonderful evening.

### River Place Athletic Fields Under Renovation

The recent rains and heavy field usage have placed a heavy toll on the condition of our athletic fields. As a result, we have closed the three large athletic fields for renovation. The renovation includes top dressing, new sod (in selected areas) and overseeding.

**These fields will be closed for approximately four to five weeks (June 20th through July 31st) to allow the grass root system to establish and grow.**

The three small athletic fields, at Woodlands Park, are open for play and enjoyment.

We apologize for any inconvenience this may cause. Thank you for your cooperation.
