DESCRIPTION: Bob Lee's often copied speed bow. This is an earlier original Wing RWH (prior to the Head and AMF years). Great looking and performing recurve. Shed-ua riser. Brown limbs. Factory installed quiver bushings. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. Superficial stress lines in the riser-fadeouts, particularly where the bushings were installed; some faint crazing (small cracks in the varnish—see right pic on p. 3) A few minor scratches and nicks here and there. Decals are in very good shape. Some discoloration of the bottom face brown limb. Overall, this is a really nice bow in excellent condition for its age.
