

CRIMSON
INTERNAL MEDICINE
NANCY TACTUK, M.D.

The following test must be completed within 90 days of your appointment date:

1. VDRL (Age 15 and older)
2. TB Skin Test (2 years and older)
3. Chest x-ray (2 views) only if TB skin test results are greater than 5mm or HIV test is positive

The VDRL and the TB Skin Test can be completed at this office for a very reasonable charge; this must be paid the day the blood is drawn, or the test is administered. CASH or Credit Card only.

Please check the USCIS website or call our office for the immunizations needed for your age.

The immunizations that you need can be done at Jim Myers on 69 S. Call 205-391-4611 to schedule an appointment. You will need to take a picture ID with you. You will also be required to pay cash for these. They can also be done at the Health Department or any other medical facility of your choice.

After all tests are completed, bring all of your results back to the office, we will be glad to schedule an appointment for you. On the day of your appointment please bring the following with you:

1. VDRL results if not done at this office
2. TB Skin Test results if not done at this office
3. Chest x-ray results if done
4. Proof of immunizations or proof of immunity, depending on your age
5. Passport or other current picture ID
6. Cash for your examination. You must bring **correct change, CASH or Credit Card only, \$135.00 per person.**

If other tests are required at the time of your visit, you will be charged extra for these, and they also must be paid at that time with cash or credit card.

If you do not have all of the above, please call the office no later than 24 hours prior to your appointment time.
