

If I Were a Chipmunk

If I were a chipmunk, (nibble) I'd share my seeds with you.
If I were a chipmunk, you could have my acorns too.
If I were a chipmunk, we'd make peanut butter stew,
Because everything I've got, I'd give it all up for you.

If I were a chicken, (cluck) I'd share my biggest eggs.
If I were a chicken, you could have my chicken letgs.
If I were a chicken, you wouldn't have to beg
Because everything I've got, I'd give it all up for you.

'Cause it really is better, so much better,
If someone needs whatever, to give them what they need.
Oh, it really is better, so much better,
To give than to receive.

If I were a Tarzan, (yell) I'd share with you my tree.
If I were a Tarzan, I'd make you alligator tea.
If I were a Tarzan, you could pet my chimpanzee,
Because everything I've got, I'd give it all up for you.

If I were a monkey, (oo-oo ah-ah) we'd have banana barbeque.
If I were a monkey, I'd pick all the fleas off you.
If I were a monkey, I'd be your monkey dream come true,
Because everything I've got, I'd give it all up for you.

'Cause it really is better, so much better,
If someone needs whatever, to give them what they need.
Oh, it really is better, so much better,
To give than to receive.

Because it really is better, so much better,
If someone needs whatever, to give them what they need.
Oh, it really is better, so much better,
To give than to receive.

To give than to receive.
