

Club Members:

Welcome back for another fun year of skating with Thomas Creek Figure Skating Club. If you haven't already completed your membership paperwork - please do so asap so that you may skate during our normal club ice season (9/3/19-6/28/19). You soon will be able to find all the membership paperwork on our website. If you've completed your membership, attached you will find a registration form for the 2019-2020 season. Full Membership requires that you purchase the equivalent of 1 hour of ice per week (exceptions for adult skaters who are 18 and older who are not eligible for a collegiate membership and for those skaters who primarily reside more than 75 miles away from Rochester IceCenter). Registration will take place at Rochester Ice Center (RIC):

Tuesday, September 3, 2019, 3:30pm-7:00pm *Pizza Party/Registration* Credit Cards will be Accepted via Paypal with a \$2 service fee. Please complete and bring your registration form along with a check/cash/credit card for the first payment. Remember, no payment AND no paperwork, no ice!

Some items NEW this year - We have extended our regular season and based it on the school year schedule. Instead of ending our season at the end of April and having "interim and summer ice" - our regular season will now extend through the end of June to keep schedules and lesson times consistent for 10 months. Based on this extended regular season we are also adding the option for an additional ice payment installment. July and August will remain summer ice. Ice rental was unavailable at Bill Grays Iceplex this year but instead we have been able to secure more ice with our home rink, Rochester Ice Center. We will be trying out some Friday and Saturday ice throughout the year in order to add even more options for our skaters.

When you look at your registration paperwork note that you pay less per hour for ice, the more you purchase.

Ice fees

Ice costs again this year are based upon the number of hours you purchase. It is imperative that we cover our ice costs, and our fees are set to maintain financial stability for the club. Thomas Creek Figure Skating Club is funded entirely by its members. Our fees do not cover the entire cost of ice to the club. In an effort to keep fees reasonable, we supplement ice fees with fundraising, income from test sessions, the spring show, and sponsorship/advertising. Building our membership is the easiest way to reduce costs to each skater, so promoting our club to skaters is an important effort in which all of our members should participate. **Help get the word out about what a great place TCFSC is to skate!**

Walk-ons

The price of a one hour walk-on will remain \$20. In order to keep things relatively simple for the ice monitor, one hour walk-ons will be available for either the first 55 minutes of the session OR the last 55 minutes of the session (in other words, a skater cannot come at any random time). A skater can choose which half of the session to skate. **All walk-on fees MUST be paid before a skater is allowed on the ice.** Two hour walk-ons are also available for a discounted \$36. If a session is less than two hours, the cost is \$24.

Punch Pass

Will be offered at \$175.00 for 10 passes. . . **\$17.50/for each 55 minute session.**

Fundraising

The fundraising commitment will stay the same as last year: \$75 minimum per skater, with a buyout of \$75 available. All members who choose to buyout or have not fundraised the entire amount - will be billed on their last ice payment. **We depend greatly on fundraising to meet our financial obligations and to maintain costs!** Volunteering at FRONTIER FIELD is a great fun way to meet your fundraising obligation! We need the help of everyone to make our club successful.

Financial Obligations -Ice payment installments will be due on 9/3/19, 11/14/19*, 2/19/20 and 4/1/20. Any member who has not paid their installment of ice by the specified date will not be allowed on club ice until their installment payment is paid in full. **Commitment of ice is for a full Club year and may not be stopped or transferred at any time for any reason.** Ice rates/days/times are subject to change.

***Note:** Purchasing the minimum ice requirement of 44 hours requires that you make your full payment within the first two installments (9/3/19 and 11/14/19). Other packages allow for three and four installment payments.

****Please note that the more ice you purchase the less your hourly ice cost becomes. Minimize your ice costs by considering purchasing more hours of ice. ****
