OFFICIAL PROCEEDINGS OF THE COUNTY BOARD LAKE COUNTY, MINNESOTA

Tuesday, December 12, 2017. Lake County Law Enforcement Center, 613 Third Avenue, Two Harbors, Minnesota. County Commissioners Present: District 1 Commissioner Peter R. Walsh, District 2 Commissioner Derrick (Rick) L. Goutermont, District 3 Commissioner Richard (Rick) C. Hogenson, District 4 Commissioner Jeremy M. Hurd, District 5 Commissioner Rich Sve. County Commissioners Absent: None. Also present: County Administrator Matthew Huddleston and Laurel D. Buchanan, Clerk of the Board. Meeting was called to order at 2:00 pm by Board Chair Rich Sve. Unless otherwise stated, all actions have been approved by unanimous yeavote. Members of the public were present. Commissioner Sve led the audience in the recitation of the Pledge of Allegiance.

MOTION GOUTERMONT, SECOND WALSH: 01 - Approve agenda. Absent: None

Lake County Board Chair Rich Sve welcomed all, including the sixth-grade students from Mr. Rick Frericks' class at William Kelley Elementary School, in attendance at the Lake County Board of Commissioners' meeting. Board Chair Sve began the meeting with a round of introductions. Several students introduced themselves and gave a presentation on possible solutions regarding concerns at the intersection next to the bus garage, at Penn and Edison boulevards in Silver Bay, Minnesota. The students provided a description of the process that they went through for this study. They asked and answered the following questions: 1) Why are people blowing through the stop sign? 2) What would happen if someone got hit? 3) What can we do about it? Then they introduced a list of possible solutions and narrowed that list to three ideas: 1) a stop ahead sign, 2) double stop signs, 3) a larger stop sign. An additional idea was introduced at the meeting - two larger stop signs. Commissioners asked questions about the ideas presented. Commissioner Goutermont asked if students had considered the possibility about having no stop sign. Students answered that the class had considered that possibility but did not think that having no stop sign would be a good idea for that busy intersection. Highway Engineer Krysten Foster confirmed that double signs and oversized signs are allowable. Commissioner Rick Hogenson asked whether the students had communicated with the local police department regarding these concerns. Students confirmed that yes, talking with the Chief of Police was the first step. The students' teacher Mr. Rick Frericks commented that the police department has provided surveillance at that intersection. A question was asked about whether the group has talked with the City of Silver Bay about these concerns. Mr. Rick Frericks had planned to have his class attend a City Council meeting; however, school ended up being cancelled on that day and students were unable to attend. Mr. Rick Frericks attended the City Council meeting and was advised that the road is a County Road and under county jurisdiction. Lake County will work with the City of Silver Bay and make sure that the city is supportive of changes that the county may implement.

Lake County Highway Engineer Krysten Foster followed up with a Stop Sign Engineering presentation on signage considerations. Ms. Foster addressed the question of why people are not following the rules of the road here. She introduced a list of Low Volume Intersection Rules of Thumb to keep in mind: First, stop signs are not required. Second, stop signs are not a safety device. Third, only 20% of drivers adhere to a full stop. Fourth, there is no proof that stop signs control speeding. Ms. Foster also described Driver Behavior at Stop Stops and the percentages of driver behavior in these categories: 1. Full Stops. 2) Partial Violation (Rolling Stops). 3) Full Violation (No Stop). She referenced Minnesota Statute Chapter 169. Traffic Regulations, Section 169.06 Signs, Signals, Markings. She discussed four-way stop criterion and provided statistics on the traffic volume at this intersection. The volume of pedestrians could be a reason for having a four-way stop sign at this intersection. Commissioner Rick Hogenson asked the students to reach out again to the Chief of Police in Silver Bay and request proactive enforcement.

MOTION GOUTERMONT, SECOND WALSH: 02 - The Lake County Board of Commissioners approve the following resolution. 1) Direct the Lake County Highway Engineer to provide additional signage at the intersection next to the bus garage, at Penn and Edison boulevards in Silver Bay, Minnesota. 2) Request that students and teachers at the William Kelley Schools, the Lake County Highway Engineer and other stakeholders and interested parties provide ongoing monitoring of the intersection to assess the results of the additional signage. 3) Collectively in one year, the Lake County Board of Commissioners, Lake County Highway Engineer and other stakeholders and interested parties will revisit the effectiveness of the signage changes. 4) If we do not see improvements from the additional signage, the Lake County Board of Commissioners and Lake County Highway Engineer will consider beginning the process of implementing alternative changes at that intersection. Absent: None

The Board of Commissioners took a brief recess at 2:35 p.m. to dismiss Mr. Rick Frerick's students so that they could get back to school to be dismissed at the end of their school day. Following the informal recess, the Board Chair called on Lake County Land Commissioner Nate Eide. Mr. Eide provided an update on the Agreement for Professional Services between Lake County and consultant Short Elliott Hendrickson, Inc. (SEH). The updated agreement adds a completion date. There were no changes to the scope or payment conditions that were previously approved by the Board of Commissioners. The agreement is for a Project Manager for the Prospectors Trail Project for the design and bidding phase, construction administration and resident project representative (field staff). Lake County Auditor Linda Libal updated the Board regarding the application that Lake County will be submitting for grant funding through Minnesota's Voting Equipment Grants. Applications are due by December 15,

2017, and must include a Board Resolution. Ms. Libal also discussed the proposed salary for County Auditor and how that salary compares to surrounding areas and to the salary of the previous Lake County Auditor. Ms. Libal requested that the Board of Commissioners consider her 22 years of service in accounting for the Lake County Highway Department. Lake County Human Resources (HR) Administrator Cammie Young updated the County Board on the status of labor contracts. Lake County Environmental Services Director Christine McCarthy provided an updated Lake County Aquatic Invasive Species (AIS) Prevention Budget. Lake County Soil and Water Conservation District (SWCD) invoice has been received for AIS prevention services. The AIS Prevention Budget includes administration costs, public awareness and education, and allocations.

Lake County Administrator Matt Huddleston provided an update on several areas of county business. Budget materials have been prepared and will be available tonight at the Truth in Taxation public hearing. The proposed 2018 operating budget and proposed levies will be discussed. Mr. Huddleston provided a Personnel Committee update, including a resignation of an Information Technology (I.T.) Technician. The Personnel Committee will be recommending that Lake County recruit to fill the vacancy of Senior Information Technology Specialist. This title replaces the former title Network Coordinator. That position has been vacant since the former Network Coordinator was appointed to serve as the Interim I.T. Director. Recommendations for Elected Officials salaries for 2017 for County Sheriff and County Auditor have been included in the requests for board action. The County Attorney is currently appointed and existing salary is for the remainder of the term. The County Recorder also is currently appointed for remainder of the term. A 2017 salary for the County Recorder may be brought forward for consideration soon. Mr. Huddleston updated the Board on the Highway Facility fire recovery and new quote that we anticipate receiving from Minnesota Counties Intergovernmental Trust (MCIT). We have received quotes for hazardous materials abatement. Request for Proposal (RFP) responses for construction management are due tomorrow. We anticipate receiving the final design from CBS Squared, Inc., a civil engineering and architectural firm.

Commissioners congratulated Rich Sve on being elected to serve as Association of Minnesota Counties (AMC) 2018 Second Vice President. Commissioner Sve thanked the Board for their support.

OFFICIAL PROCEEDINGS OF THE COUNTY BOARD LAKE COUNTY, MINNESOTA

Tuesday, December 19, 2017. Lake County Service Center, Split Rock River Room, 616 Third Avenue, Two Harbors, Minnesota. County Commissioners Present: District 1 Commissioner Peter R. Walsh, District 2 Commissioner Derrick (Rick) L. Goutermont, District 3 Commissioner Richard (Rick) C. Hogenson, District 5 Commissioner Rich Sve. County Commissioners Absent: District 4 Commissioner Jeremy M. Hurd. Also present: County Administrator Matthew Huddleston and Laurel D. Buchanan, Clerk of the Board. Meeting was called to order at 2:00 pm by Board Chair Rich Sve. Unless otherwise stated, all actions have been approved by unanimous yeavote. Members of the public were present. Commissioner Sve led the audience in the recitation of the Pledge of Allegiance.

MOTION GOUTERMONT, SECOND HOGENSON: 01 - Approve agenda. Absent: Hurd

Clerk of the Board Laurel Buchanan provided a revised expenditure dollar amount for the 2018 budget to reflect a \$4,000 increase for some minor changes. The updated proposed 2018 County Expenditure Budget is \$29,943,938. County Administrator Matthew Huddleston discussed items that are included in the action items for this meeting and provided updates on several areas of county business. A final number on the fire damaged highway department facility has been provided by Minnesota Counties Intergovernmental Trust (MCIT). Lake County has issued a Request for Proposals (RFP) for Construction Management Services for a new Highway Department Facility and has received proposals from several firms. The Fire Recovery Committee will be bringing forward a recommendation in January 2018. Lake County has signed a letter of engagement with Baller Stokes & Lide to provide legal counsel and assistance to Lake County in obtaining authorization from the Federal Communications Commission (FCC) for Lake County to transfer its Rural Broadband Experiment (RBE) support as part of a sale of its broadband network.

County Auditor Linda Libal and Deputy Auditor Ronelle Radle were present for any questions on the differences between the preliminary net tax capacity numbers and the query results generated from the new reporting system. Staff is becoming more familiar with the new programs. Ms. Libal also discussed recommended changes to the Travel Policy. Rather than having set dollar amounts for meals, the County Auditor's Office recommends that we change to a plan that requires receipts to be provided. The change is recommended in order to comply with IRS regulations. Stipend amounts would have to be run through the payroll system and counted in the employees' income. By requiring receipts, those reimbursement dollar amounts would not be counted in employees' income.

Environmental Services Director Christine McCarthy was present for any questions on the Planning Commission findings and proposed resolutions. One item from the Planning Commission was removed from the consent agenda for discussion and separate action. Human Resources (HR) Administrator Cammie Young was present for any questions on the HR requests for board action and updated the Board on several labor contracts. Information Technology (I.T.) Director Boris Naschansky provided background information on updating the network. We need to replace the core switch stack, which Mr. Naschansky describes as the "nerve center" where everything connects. The current switches are scheduled to sunset or "end of life" (no support) in January 2018.

MOTION WALSH, SECOND GOUTERMONT: 02 - Approve amended consent agenda as follows:

- 1. Approve the Board of Commissioners' meeting minutes from December 12, 2017.
2. Authorize payment in the amount of \$20,245.50 to Keepers, Inc. for the purchase of 15 Ballistic Helmets and Face Shields.
3. Approve and authorize the County Board Chair to sign the Purchase of Service Agreement with Accord Services, Inc., to provide Adult Mental Health Targeted Case Management Services for the period of January 1, 2018 through December 31, 2018.
4. Approve and authorize the Lake County Board Chair to sign the Purchase of Service Agreement with Dr. Jonathan Beyer to provide Mental Health Services for the period of January 1, 2018 through December 31, 2018, in an amount not to exceed \$20,000.00.
5. Approve and authorize the County Board Chair to sign the Purchase of Service Agreement with Jessica Breden, RN, PHN, to provide Public Health nursing services for the period of January 1, 2018 through June 30, 2018, in an amount not to exceed \$5,000.00.
6. Approve and authorize the County Board Chair to sign the Memorandum of Agreement with Community Partners to provide community support services for Lake County citizens for the period of January 1, 2018 through December 31, 2018, in an amount not to exceed \$19,862.00.
7. Approve and authorize the County Board Chair to sign the Purchase of Service Agreement with Gina Heinzen for Supervised Visitation services for the period of January 1, 2018 through December 31, 2018, in an amount not to exceed \$8,000.00.
8. Approve and authorize the County Board Chair to sign the Purchase of Service Agreement with the Human Development Center to provide Adult Mental Health Targeted Case Management Services for the period of January 1, 2018 through December 31, 2018.
9. Approve and authorize the County Board Chair to sign the Purchase of Service Agreement with the Human

Development Center to provide Community Mental Health Services for the period of January 1, 2018 through December 31, 2018, in an amount not to exceed \$80,000.00.

10. Approve and authorize the County Board Chair to sign the Purchase of Service Agreement with the Human Development Center to provide Serious and Persistent Mental Illness (SPMI) Supported Employment services for the period of January 1, 2018 through December 31, 2018, in an amount not to exceed 15,000.00.

11. Approve and authorize the County Board Chair to sign the Memorandum of Agreement with Northshore Area Partners to provide community support services for Lake County citizens for the period of January 1, 2018 through December 31, 2018, in an amount not to exceed \$17,000.00.

12. Approve and authorize the Lake County Board Chair to sign the Purchase of Service Agreement with Christine Oliver-Kneebone to provide Mental Health Services for the period of January 1, 2018 through December 31, 2018, in an amount not to exceed \$8,810.00.

13. Approve termination of Highway Department printer/copier/scanner lease at a cost up to \$5,170.74 due to smoke damage.

14. Approve and authorize the Board Chair to sign a 60-month lease with ShelDon in the amount of \$14.57 per month for a Canon ImageRUNNER C5540 printer/copier/scanner for the Highway Department. Service and supplies maintenance plan billed at \$0.0075 per black-and-white page and \$0.0550 per color page.

15. Authorize payment in the amount of \$6,285.70 to Pine River Sales, Inc. for the purchase of an enclosed trailer to be used for hauling the Polaris side-by-side ATV.

16. Approve Minnesota Lawful Gambling Application for Friends of Finland Community to conduct excluded bingo on January 7, 2018; February 4, 2018; March 4, 2018; and April 1, 2018; at the Clair Nelson Community Center, 6866 Cramer Rd, Finland, Minnesota.

17. Authorize payment to Lakehead Trucking, Inc. for invoice #37907 in the amount of \$20,323.50 for the septic repairs of SSTS permit # SP-17-063. The cost for these repairs is funded by the Minnesota Pollution Control Agency (MPCA) Subsurface Sewage Treatment Systems (SSTS) Low-Income Fix-up Grant. The MPCA's SSTS program protects public health and the environment by ensuring subsurface sewage treatment systems (or septic systems) effectively treat wastewater.

18. Authorize payment in the amount of \$6,984.50 to Lake States Construction, Inc., invoice 7348, for maintenance to the aerial plant.

19. Authorize payment in the amount of \$17,214.09 to Consolidated Telecommunications Company (CTC), invoice INV-3259 for payroll dated 12/8/2017 and credit for overcharge of a T1 circuit.

20. Authorize the acquisition and replacement of the four existing Cisco switches which are not operating to specification and are scheduled to sunset or "end of life" (no support) in January 2018. The cost of this investment in replacement of the core switch stack is \$31,370.66, per the quote from Works Computing, Inc.

21. Approve Minnesota Lawful Gambling Application for Exempt Permit by Whitetails Unlimited, Inc. to hold a raffle on April 21, 2018 at the Clair Nelson Community Center, 6866 Cramer Rd, Finland, Minnesota.

22. Authorize payment to BMO Harris Bank in the amount of \$6,913.30 (quarterly invoice dated December 17, 2017), for a Periodic Fee for Irrevocable Standby Letter of Credit No. HACH503422OS.
