

# July 2017 Newsletter

## **Driver of the Month ~**

The July Driver of the month is Kevin Graves! Your positive attitude and willingness to help is appreciated. We are proud to have you represent AAT! Thank you and Congratulations!

## **ROADCHECK June 6-8**

We had very few inspections, which shows you are all doing well following FMCSA regulations! Keep up the great work, it benefits us all.

## **Check-In Reminder**

All drivers must be checking in to the office at least twice daily. Please call by 10:00am when you get started for the day, again after 2 pm, and at delivery. This helps us communicate with our clients and stay on top of any issues.

## **After Hours Phone**

Is for afterhours use only, please do not call it during business hours. There are multiple lines you may call during business hours; it is likely the person you are trying to reach is on one of them.

**FYI Please call the afterhours phone before you leave AAT** if you are missing WEX card, bus key or paperwork.

## **Tuesday, July 4<sup>th</sup>**

AAT office will be closed in Observance of Independence Day. Many of you may be driving, please be aware that this is one of the deadliest days on the road! There will be an increased number of travelers, drunk drivers and others who are distracted. Be on the lookout for all of them, we want you to be safe!
