

CASHA PROGRAM VIRTUAL MEETING

Join us on
Tuesday June 15, 2021
from 6:00 to 7:30 p.m.
Virtually

(directions to access the virtual meeting will be sent to you once you register)

Debra E. Trees, Au. D., Doctor of Audiology
will present

An Update of Technology for Hearing Solutions. Review of the Latest and Greatest, What YOU Need to Know!

Capital Area Speech-Language-Hearing Association is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. **See course information for number of ASHA CEUs, instructional level and content area.** ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

This course is offered for 0.15 ASHA CEUs (Intermediate level, Professional area).

Visit the CASHA web site for more information www.cashany.org

Learning Outcomes - Attendees will be able to:

- identify and demonstrate knowledge of the overall improvements of hearing technology
- tell up to three strategies of hearing instrument technology that improve speech in noise perception
- tell how Bluetooth connectivity is used in hearing devices to enhance ease of use for patients and their caretakers in a variety of ways
- identify and demonstrate knowledge of at least two hearing solution technologies in traditional amplification and surgically implanted devices to connect

Time Ordered Agenda

6:00-6:20	Review of basic new technology options used by most Hearing Device Manufacturers for enhancing speech in noise
6:20-6:50	Listing of Technology options associated with specific companies and how they work, including Oticon, Phonak, Resound, Signia, and Starkey
6:50-7:00	Review of surgically implanted devices
7:00-7:15	Update of the latest in Over-The-Counter hearing technology
7:15-7:30	Questions and Answers
