

COOK ATHLETIC ASSOCIATION
411 Hobart Avenue, Hamilton, New Jersey 08629

Looking for some publicity for your business?

We are looking for interested private/public small/large businesses to sponsor a team on our Co-Ed Youth Basketball League.

The Cook Athletic Association is a non-profit organization that has been promoting youth sports for 50+ years in the greater Trenton-Hamilton area.

Our mission statement:

To promote sports activities for children, to instruct them in the fundamentals of all sports and while doing so, teach them good sportsmanship, good behavior and to respect the rights of others so that they shall become better future citizens of their community. We will put forth our utmost efforts toward the curbing of juvenile delinquency.

With the \$225.00 sponsorship fee, sponsors will receive a sponsorship plaque with the team picture and the business name will be printed on the players' jerseys.

Sponsorship is also tax deductible, as we are a non-profit organization.

On behalf of the officers, coaches and children, we thank you in advance for your sponsorship!

Please contact our Athletic Director with inquiries, questions or concerns!
