Make a Contribution to The Brewster Playhouse

We are writing to you with exciting news! As many of you know, *The Brewster Theater Company* has performed in many locations throughout Brewster and Southeast over the last 15 years. We are finally ready to pursue our dream of having a new home. This new space will be a "black box" theater, equipped with a scene shop and storage. To fully realize this dream, our programming will expand, as we partner with the Village of Brewster Film Festival!

Our new space, the **Brewster Playhouse**, will be a hub for local theater and independent film. We will continue our regular season of plays, musicals, and cabarets in addition to our Armchair Actors and One-Act workshops. New programming will include classes, comedy nights, and film series weekends. The **Brewster Playhouse** will also provide a venue for playwrights and filmmakers to premiere their new works. As always, we are a Community Theater, and will continue to bring you exciting, enjoyable theater and music at an affordable price!
