November 2022

FROM THE PRESIDENT

Well, it's November and what a busy October we've had! Shows, parades, and a host of other car-club related activities really seem to keep us on the move! Early this month our GaSCar Officers and Board of Directors will be meeting to go over future upcoming club events and planning so if you have any ideas or suggestions that you would like the club to consider, please let one of them know.

The club needs to recognize our GaSCar ladies for the especially nice job of setting up our October Casserole Supper. While we have to limit our meal to the meeting room due to changes in the warehousing at Fox's, our GaSCar ladies did their usual masterful job.

They devised ways to fit everything in the space allowed, provide appropriate table decorations, and did whatever was necessary to insure a pleasant and enjoyable evening of good food and fellowship.

Historically, October has always been a very active time with the antique car hobby and 2022 was certainly no exception. Saturday, the 22nd, several GaSCarians brought their cars to the annual car show at St. Teresa's Church. Stan Harrell and Dick Salerno both got awards for their beautiful Mustangs and Charles Durand won the "*Peoples' Choice*" award with his spectacular 57 Thunderbird. Also, earlier in the month, Andrew Morris was awarded a "Top 20" award at the Pumpkin Run and Harold Glazener won an award at the Bettis Academy car show. While these and other of our members regularly win awards, I was especially proud that our GaSCar cars, unlike so many of the trailered show cars, are regularly driven to club meetings, tours and other related activities. That

says a lot about our club, its' members, and our cars.

I would like to thank Phil Gaffney for successfully heading-up our nominating committee to select a slate of GaSCar officers for next year. Recruiting officers for a club such as ours has always been difficult but very important. Each of us need to be open to helping GaSCar continue to provide the antique car experiences that we so enjoy and serving as an officer or board member is a great way to do that. Please support Phil and the rest of the committee and think about what you can do to help.

There are many additional car-related activities going on this time of the year so be sure to keep current with your GaSCar Newsletter for details. As always, keep our sick and ill members in your thoughts and prayers. Remember, God makes a difference!
Happy Antique Motoring!

GaSCar Name Tags

The response has been great on the number of members who are wearing nametags to GaSCar events. We continue to have new members on a regular basis and it certainly helps to put faces to names. Remember to wear your nametag to all GaSCar events. If you don't have one, the official GaSCar name tags are available at B&S Engraving, 3733 Washington Rd, Martinez, GA, 30907. They are open from 10 AM to 6 PM Monday thru Friday. The cost is \$16 for a name tag that attaches by pin or magnet, or \$18 for a name tag that clips onto the shirt pocket. A dangle bar attached below the main name tag with your car year, make and model, is an additional \$6 per dangle bar.

GaSCar Logo Items

Point of contact to get shirts, etc. embroidered with the GaSCar logo is Susan Meloan, 5030 Fieldcrest Dr. N Augusta, SC. Very reasonable. 803-634-2570.
