2017!*

Words from our Financial Administrator

Happy New Year Trinity Family,

Our God has provided for our every need at Trinity in 2016. As we close 2016, all of our financial obligations will be met, and all of our missionaries will be paid. As we work on the budget for 2017, may we celebrate releasing control and embrace God's plan for the change and growth ahead. On behalf of the Finance Committee, I want to express our appreciation for your generous and faithful support over the past year. May God give us hearts of joy to watch Him at work in fresh ways at Trinity in 2017!

**Words from our Interim
Missions/Outreach Director**

A new year is beginning and I am excited for what God will do in our church over the next months. He is a good Father and desires us to trust Him even more deeply.

I have spent the last month brainstorming ideas for various outreach opportunities. I plan on working with the appropriate elders and others to look at ideas they may have. My goal is to have a working plan by the end of January.

The website continues to evolve. I hope you will check it out from time to time. Let me know what works for you and what doesn't.

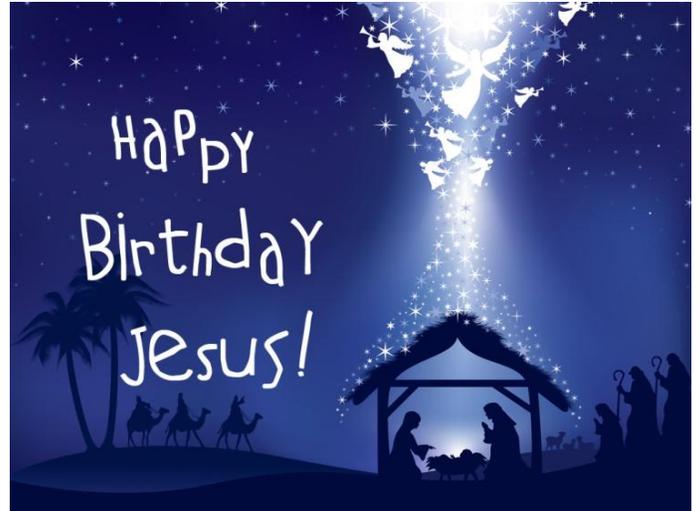

Beginning Wednesday, January 11th, after dinner, I will facilitate a new study on worship. It is a seven-week course using curriculum from Hillsong. I am excited to see where God will take us as we look at the many ways we worship God. Singing is only a part of a life of a worshipper.

My prayer for us all is that we will find courage and strength to walk in the footsteps of our wonderful Lord Jesus.

For His glory,

Rebecca DeBreau

**A WORD FROM JULIE INGRAHAM,
CHILDREN'S MINISTRY DIRECTOR**

HAPPY BIRTHDAY JESUS!

Thank you Father for your precious gift of LOVE you have given to us.

Christmas is the best time of the year. Why? It's the best because, God designed it that way.

1 John 4:9 - This is how God showed his love among us: He sent his one and only Son into the world that we might live through him.

Wow! To think that God became flesh and walked among us is a miracle. God loves to do that. God loves to remind us He is all powerful, loving and cares deeply and intimately for each and every one of us.

1 John 4:10 - This is love: not that we loved God, but that He loved us and sent His Son as an atoning sacrifice for our sins.

God loves us so much He gave us His only son. What and how could we give back to God? What could we possibly give to Jesus for His birthday? How about quality time with Him? Jesus himself prayed in quiet

solitude regularly. “Jesus often withdrew to lonely places and prayed” (Luke 5:6). And He invites us to join Him in, to be still in prayer with Him: “Come with me by yourselves to a quiet place and get some rest” (Mark 6:31).

Christmas time is full of busyness. We get so busy with decorations, presents, parties, family, friends and more that we can make Christmas feel stressful. But God says, “Be still and know that I am God” (Psalm 46:10) is the Word of God to us. My son, Joey, made a beautiful Christmas tree at school and brought it home. It is about two feet high. He was going to put it up in his room but we told him to set it up in the living room because it was so simply sweet and beautiful. Our family decided not to put up the usual 6’ tree this year. We are opting for the sweet and simple.

The manger scene is calling out to us. We have experienced God’s miracle in our lives and we are so thankful to be together and to all know and love God.

My prayer for all the children that God brings through Trinity Church is this: that they might know and love God. It touches my heart to see children excited and happy to share God’s love with others. To me, that is what Christmas is all about.

How about going against the current of our crazed culture and give the gift of spending some quiet time with Jesus as your *First Love*? Look for the sweet and simple this Christmas. May God fill you with His Joy and Happiness.

Words from our Principals

Our December at Trinity Christian School was full of joy as we celebrated the birth of our Lord and Savior, Jesus Christ, across the campus. The month began with an all school (K-8th and Preschool) performance for the Presbyterian Women on December 2nd. We were blessed to be able to share the students of Trinity with women from all around San Diego County. The month of December also brought several more Christmas performances focused on sharing the Gospel and the true meaning of Christmas as students invited their families and friends to attend their Christmas plays here on the Trinity Hill.

When we return to school after Christmas break in January, it will be our “Closed Enrollment” month. This means that Trinity Church members and students already enrolled in the school will be offered priority registration for the 2017-18 school year. Open enrollment for the general public will begin on February 1st. We pray that the Lord would give opportunity to share with families, neighbors and friends the Ministry of Trinity Christian School as we seek to make a positive impact for Jesus on our community. Our mission statement which all of our goals and activities flow from is: “Trinity Christian School, an outreach ministry of Trinity Church, commits to a partnership with parents to inspire academic and personal excellence in a Christ-centered environment.” Daily we seek to integrate God’s word into every facet of our accelerated curriculum. Students are encouraged to achieve at the highest levels for the glory of God as they recognize their gifts and talents are from the Lord. From the earliest of ages students learn that all truth is God’s truth, that Jesus Christ is central in the truth, and that the Holy Spirit is the discerner of truth.

The Psalmist writing to God’s people summarizes the mission of Christian education and is a scripture that encourages us. We pray that it will encourage you as well as each of you is an important part of reaching this next generation for Jesus.

Psalm 78:4-8 “We will tell the next generation the praiseworthy deeds of the Lord, his power, and the wonders He has done. He decreed statues of Jacob and established law in Israel, which He commanded

our forefathers to teach their children, so the next generation would know them, even the children yet to be born, and they in turn would tell their children. Then they would put their trust in God and would not forget His deeds but would keep His command.”

Thank you, Trinity Church, for your investment into eternity through your outreach ministry of Trinity Christina School.

A Ministry of

Caring for our Care Givers

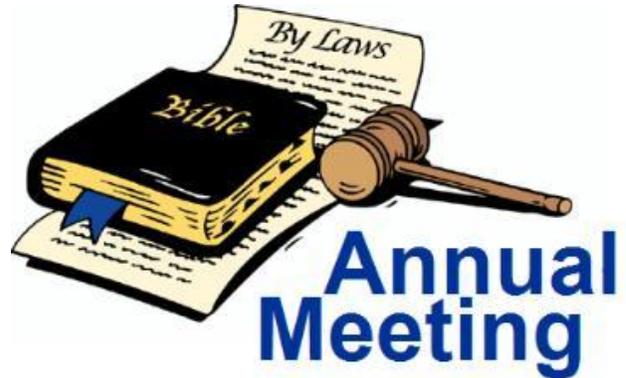

Purpose:

To provide assistance to care givers of ailing loved ones. Due to these emotional, physical and spiritual strain on caring for an aging and/or disabled love one, we have created a program whereby care givers can receive respite. This respite would be provided by volunteers of our congregation to members/regular attendees of Trinity Church where either the member/regular attendee is the care giver or the ailing loved one.

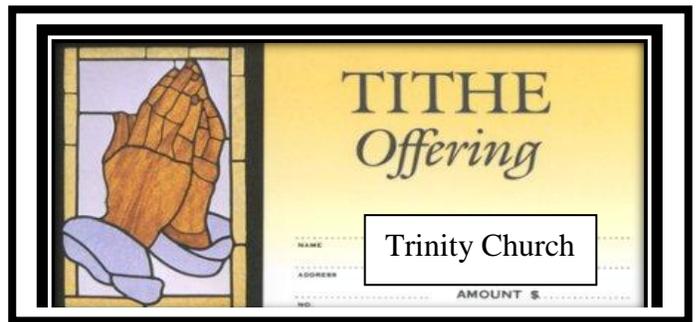

This would allow the actual care giver the opportunity to care for their own personal needs – visit with friends, schedule medical appointments, attend to grooming needs, and/or participate in fellowship meetings at church to remain spiritually connected.

This can prevent care giver “burnout” and will allow the individual to function better in their role as primary care giver.
