

## Parish/Mission Survey

### Diocese of Corner Brook and Labrador

***"...the hope to which we are called..." (Eph. 1:18)***

This data collection survey is a follow up to the announcement of a Diocesan Pastoral Planning process in the Pastoral Letter read in churches throughout the diocese on the First Sunday of Advent, 2014.

The Diocesan Pastoral Planning Advisory Committee is asking your cooperation in having this survey completed and returned to the address below.

The purpose of the parish/mission survey is:

- To examine the current state of the life of the parish
- To provide data to the DPP Advisory Committee to be used to develop a parish profile;
- To provide parishes with the opportunity to study, review, and analyze the data in the parish profile and through reflection and discussion, determine ways to move forward together as a vital healthy parish.

**Please Note: If your parish includes mission churches, please complete a separate survey/questionnaire for each mission church in your parish. (i.e. pages 14-25 of this package.)**

**Tel: 639-7298 (home)**
