Shoot 1 Division or all 4, your choice

The Open League calls for 8 rounds of 100 targets to be shot over 6 months.

We are also offering 3 Sub Gauge divisions (.410, 28, and 20) that call for 8 rounds of 50 targets to be shot over 6 months

**All 4 gauges will be scored separate and all shooters that finish each gauge will qualify for a CZ All-Terrain Series Shotgun in either 12 or 20 gauge by random draw at the end of the League.**

**The League starts February 29, 2020\* and ends August 29, 2020**

**Awards Banquet and prize draws the next day, August 30, 2020**

Cost:

Open League \$120 plus cost of targets

Sub Gauge League \$60 per gauge, plus cost of targets

Youth pay only \$60 and \$30. A youth is anyone that will not be 18 years old by September 1, 2020

100% of the buy in money will be paid back to the shooters as awards for placement in their respective classes. In 2019 we paid out \$16,800 to class placement winners.

We also offer incentives for shooters to stay current with their shooting. There will be 16 guns given away by random draw to shooters that stay up to date with their targets.

That is a total of 20 guns to be given away in 2020.

Complete League rules are available to those interested. Please contact Dave Langvardt at [dlngrvrdt@grm.net](mailto:dlngrvrdt@grm.net) or 660-247-1211 to get on the league mailing list or to ask questions about the league and the rules. If you think you live too far away to shoot our league, please consider that we allow you to shoot up to 2 months ahead. And if you were to get behind the only real penalty is losing out of the gun draws for the month you are behind. You can make up that round later and still be eligible for the cash payouts and grand prizes. There are only 2 drop dead deadlines, you must have 3 rounds scored by May 17<sup>th</sup> in order to be placed in a class and you must have all 8 rounds shot by August 29<sup>th</sup> in order to qualify for the Grand Prize drawings. With 8 rounds needed over 6 months we base the incentive drawings on the following schedule: 1 round in March, 2 rounds in April, 1 round in each month May through July, and 2 rounds in August. But you can shoot them as you wish as long as you meet the 2 deadlines above. We have members that travel 3-4 hours to participate. They shoot 2 month's worth of targets each visit which means they make 4 trips. There is also an RV park very close if you have an RV and want to make a weekend of it.

\*League starts the day Boot Hill opens for the season. That is scheduled to be February 29, 2020. Boot Hill will open as soon as the weather permits. I will send emails to advise, so get on the mailing list. Boot Hill will close if the weather does not allow traffic on the course.
