

Hawai`i Association for Play Therapy Newsletter – November 2013

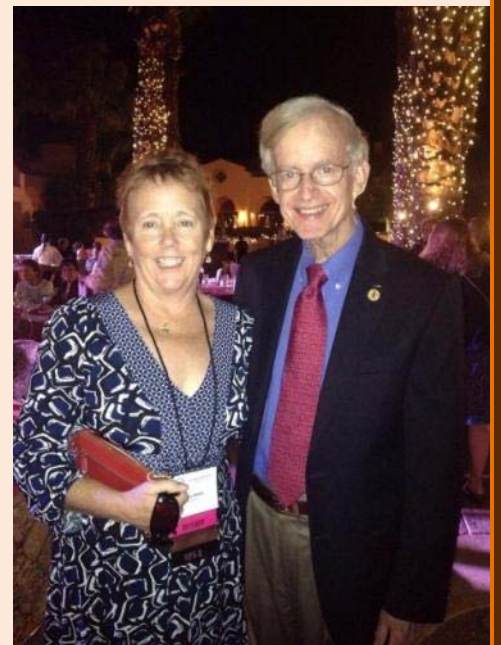

Aloha and Happy Thanksgiving

Message From the President

By: Mary Welsh

I attended the Annual Association for Play Therapy (APT) Conference in Palm Springs, California in October. I was really impressed with the quality of the presentations! This is probably my 5th or 6th APT conference and by far it was the best. I think I learned that paying close attention to the learning objectives of the sessions (which are available when one initially registers) is an extremely important part of having a successful conference experience.

The Westin Mission Hills Resort conference location was really beautiful if just a little far out from the town. The APT folks did a great job providing tasty and easily accessed lunch options in an area where we could congregate and network. This provided me with the opportunity, as your HAPT President, to network on your behalf with the likes of Garry Landreth, Jennifer Baggerly, Paris Goodyear-Brown, Anne Stewart, Eric Green and many more newer but still exciting faces in our profession/organization. I attended the Branch President's meetings and spent time establishing relationships with other Branch Presidents so we can work together on the behalf of our members to provide the things you need to stay current and be successful in the Play Therapy field.

Next year's APT Conference will be held in Houston, Texas which is a nonstop flight on some airlines from Honolulu. It will be located at a Westin Galleria Hotel which organizers tell me may make it challenging to actually GET to some of your scheduled presentations! I guess the temptation is high! Planning for the new Hawaii CEU requirements for Social Worker licensure renewal should start now. If you use Play Therapy as a major tool in your work then attending the Annual APT Conference can get you almost if not all of the CEUs needed for renewal. If you have a private practice, then it is quite possible that your entire trip could be written off of your taxes. (Check with your Accountant when you do this year's taxes.) I feel certain that next year's conference will be just as exciting and humbly suggest we start planning a Hawaii contingent to attend 2014 Houston APT Conference! Check out the date and venue at www.a4pt.org. Also, please check out and "Like" our Facebook page: just search "Hawaii Association for Play Therapy" to find our website or Facebook pages!

HAPT Annual Membership Meeting and Workshop

The Annual HAPT Membership Meeting was held on September 21, 2013 at the Queen's Gate Community Clubhouse. Fourteen HAPT members attended the meeting. Out-going HAPT Board Members Gina Eustaquio and Shelly Tokunaga (Past Presidents) and Ann Marten (Past Treasurer) were acknowledged and thanked for their service on the Board.

President Mary Welsh encouraged continued renewals for current members as well as recruitment for new memberships. Another goal this year will be to encourage HAPT members to become Registered Play Therapists (RPT) and Registered Play Therapist-Supervisors (RPT-S). Hawaii currently has thirteen (13) RPT/RPT-S.

Members discussed the importance of social media and board members will continue to maintain and update HAPT's presence on Facebook. New member Minnie Quan agreed to be the liaison between HAPT and the Hawaii NASW supporting recent changes in the Hawaii Law regarding continuing education requirements (See "New Hawaii Social Work License Requirements").

Mary Lou Lomaka, LCSW, RPT, CIMI and Candace Pang, ACSW, LSW were the presenters of “It’s All About Relationship: Working with Parents and Children with Multigenerational Attachment Issues through Play, Play Therapy and Guided Parent-Child Interaction”. This HAPT Workshop focused on the development of attachment, internal working models, and recognizing how early attachment, new relationships and life experiences affect adult attachment styles. Parent Interaction Guidance was shared including modeling and coaching, information sharing, and playgroups.
