Salute to the Flag:

Public Participation:

As Discussed:

- Pat Shedlock inquired about the proposed alley between Blueberry and Ryan Streets, Roadmaster is working with the new land owners and Penelec/Verizon concerning pole placement for electric and phone services. Road will be paved up to Ryan Street, Supervisors to review the budget, before the alley is completed.
 - Pat also inquired about the two dilapidated structures on Ryan Street; Supervisors are aware of the problem and would like to work with the land owners to rectify the situation.
 - Pat also would like to donate \$100.00 for the purchase of a camera to identify the source of the consistent littering within the township; Supervisors necessitate legal recommendations before pursuing this action. The Supervisors thanked Mr. Shedlock for his years of service in garbage collection throughout Washington Township.
- Robert Crum inquired as to why the Roadmaster was power brooming the lawns of certain residents in the township. When the Roadmaster is plowing in the winter, residents' yards are affected by the snowplowing; sod is moved by pushing snow into their properties. As practiced in the past, the Roadmaster will continue to power broom the residents yards to correct any problems snow plowing may have caused.
- David Myers inquired about the sale of 117 Peach Lane and the existing sewer tap on the property. Appraisals have not been received by the township.
- Keith & Patricia Shedlock Minor Subdivision Plan –Cambria County Planning Commission has reviewed the subdivision and a letter of correspondence informing Washington Township has satisfied the review requirements of the Act 247, Municipal Planning Code, with one review comment:

- Section 22-508 of the townships subdivision and land development ordinance states the easements for sewer and water lines shall have a minimum width of 15 feet. The easement shown on the site plan between lots 1 and 2 is proposed to be 10 feet. If a waiver is granted, it should be noted on the plan.
- Review by the township solicitor is required before any further action.
- This is the first subdivision reviewed by the Cambria County Planning Commission.

Motion made by Scott Guzic 2nd Raymond Guzic, Jr., to approve the Keith and Patricia Shedlock Minor Subdivision with reviewed correction change and pending approval of the township solicitor and the Cambria County Planning Commission. Scott Guzic –yes, Raymond Guzic, Jr., – yes, Jaime Hartline-abstained. Majority Roll, Motion Passed.
