## EN HILSEN FRA PAUL

39 YEARS! Fjellheim 6-107 has been around for 39 years. There are a few charter members still around. Ole and Joan Bakken, Swede (Orlin) Knutson, Paul and Ruth Wiig, Helen Mattson and Inger Pappas all were in attendance at the 39<sup>th</sup> Anniversary Dinner on the 16<sup>th</sup> of September. The food was excellent and the entertainment arranged by Dean Tollefson was a joy to listen to. And a big THANK YOU to the people who took it upon themselves to decorate the tables.

We also had a very impressive group of members who received their pins for length of membership. All the way from five years up to 35 years.

It was a very pleasant surprise to see so many guests from Denver in attendance.

Our next big money making function is a combination breakfast and Craft Fair/Bazaar. Please try to support this event. If you have anything to donate for the odds and ends sale, call me and I can arrange a pickup. Or bring items to the lodge any Monday from now until the function between 9 and 11am.

We have been renting the lodge frequently during the last few months. This has helped strengthen the money situation. We are all "rental representatives" for this building. Keep your ears open for any possible tenants. Check with Berry for rates and guidelines.

Fraternally,  
Paul Wiig,  
President Fjellheim Lodge 6 - 107,  
Sons of Norway

## REPORT FROM DISTRICT 6 CONVENTION

Dear Fjellheim Members,

I am so pleased and privileged to have been 1 of 4 delegates from our lodge to attend the June district meeting in Mesa. I learned so much about the total operations of Sons of Norway at this biennial gathering which was hosted by our District Six Board. As I look through my bag of information, reports and goodies I realize what a huge job it must have been to plan, gather, organize and assemble all things necessary for the 4 full days of meetings and events. There were about 175 people (154 voting delegates) from our southwestern states, as well as some international officers and directors, in attendance. We owe a big debt of gratitude to our District Six Board, their families and the many contributors from the whole district who helped to make the convention a success. A few contributions from our own lodge that I happen to have heard about were from Kay Laux who sent some Hardanger decorations (one of the early morning surprises at delegates' seats); from BJ Mapstone, Sissel Disbrow and others (?) who baked wonderful Scandinavian cookies which were enjoyed at break times; from Karen Ravnaas who transported some materials from CO to AZ; and from Lyle Berge who unselfishly gave his time and talents to serve as District President (and will do so for another 2 years!). Special recognition was given to Fjellheim for both our Yearly Report of Lodge Activities (Thank you, Marilyn Keck.) and for our newsletter, the Flammen (Thank you, Knut Lyby.) Besides the business meetings, I enjoyed a Cultural Skills Music Institute-a short but intensive survey of some Nordic music, a genealogy class, a Bunad Show, a Folk Art Show and a chance to meet and exchange ideas with people from other lodges. (Please tell me if you would like more details regarding any of these happenings.) One interesting tidbit of information I heard was that it's been estimated that typical members nowadays are actually one-quarter to one-eighth of Norwegian descent. I'm grateful that cultural heritage continues to be fostered by our local, district and international Sons of Norway organization.

Thankfully and respectfully submitted,  
Eunice Bluhm

## THE SUNNY CORNER

To everyone who is celebrating a birthday or anniversary in October 2012, we wish you a Happy Birthday and Happy Anniversary. Our hope is that you have a great day and wonderful celebration.

**Larry Moe** has been given a clean bill of health and we are so happy for him. Way to go, Larry! On Sept 20, **Millie Sullivan** ended up in the emergency room with internal inflammation affecting the rib cage. She is in considerable pain and is home resting. Additionally, she will need to have more surgery on the leg veins in the future. We hope that both these afflictions can be cured and she is finally able to feel good again.

We also learned that **LaRue Hanson's** shoulder surgery has not healed as it should and he will have another replacement. This is scheduled for October 17.

Please keep them in your thoughts and prayers as they go through these procedures. If there are others out there who need our support and prayers, please call and let me know.

In the next couple weeks the colors are turning so take a trip to the hills to golds, reds, and yellows as the trees and shrubs put on their annual autumnal show. Other events in October include: turning your clock back to standard time on the 7<sup>th</sup>; celebrating Leif Erickson Day on Oct 9<sup>th</sup>; observing Columbus Day on the 8<sup>th</sup> (but we know the truth about that one – refer to Leif's Day!!!); and, last but not least, Halloween on Oct 31<sup>st</sup>. So enjoy the month and see you at the lodge on lefsa days!!!

A poem for October:

An orange pumpkin, fat as can be.  
Carve a face so he can see.  
Put in a candle, light the light.  
A jack-o-lantern for Halloween night!

**Happy Halloween!!!!**

Regards,  
Karen Ravnaas,  
Sunshine Director, 390-0621

## SPRÅKRÅDET SURVEY SHEDS LIGHT ON LANGUAGE SHIFTS

Norway's language council, Språkrådet, recently highlighted a number of interesting shifts in Norway's language trends in their 2012 status report.

For starters, a growing number of Norwegians are dissatisfied with the prevalence of English in Norwegian advertising. Two thirds of survey respondents said they would prefer all of the country's advertising and marketing be in Norwegian. The survey also indicated that fewer members of the business community believe that the use of English supports increased sales. At the same time, the council's 2012 status report indicates that Norwegian is under "continual pressure from English in many areas of society." For example, businesses as well as many state-owned companies with an international presence typically avoid publishing their annual reports in Norwegian to accommodate the needs of a global marketplace. The report also points out that social media is a likely catalyst for language trends, causing a ripple effect in language usage beyond an online environment. Study results also indicate a similar push toward English use in higher education and research sectors. Council chief Arnfinn Muruvik Voenn stresses the possible implications of this shift saying, "Many of us are not as good at English as we think. In any case, we are a lot worse at English than we are at Norwegian. Consequently, we risk making more mistakes and doing our jobs less well in many ways if English is the language used." Språkrådet also reported both losses and gains for Norway's second language, Nynorsk. Despite being used less in schools, Nynorsk is gaining ground online. Wikipedia's Nynorsk version grew at twice the rate of the Bokmål version last year.

## HALLOWEEN IN NORWAY

Trolls and vikings are frightening enough in Norwegian folktales and history books. Add some witches and ghosts to the mix and you have a very hair-raising combination. Slowly but surely the American traditions of Halloween are becoming more common in Norway. Stores are seeing spikes in Halloween sales and with the widespread presence of American influence, Halloween is tricking or possibly treating its way into the hearts of children, families, and businesses around Norway.

Halloween has essentially been a new phenomenon in Norway having been celebrated for only the past 15 years. As Americans began traveling, living, and moving to Norway they brought over their holiday traditions. Stores started carrying and selling Halloween decorations and candy, and the ripple effect caught on. Just like in the U.S. it is obvious when some people refuse to participate by keeping their house lights off, while others go all out with homemade haunted houses and spooky decorations in the front yard.

Because children play a significant role in Norway's society, this is an appealing tradition for both kids and adults is a great addition to the fall season. There are those that are bothered by the spread of "Americanized" holiday hoopla and others who can't wait to dress up in costumes, decorate their houses, and eat too much candy. Kids are going door to door, mainly in the bigger cities, saying "Knask eller Knep" or "Digg eller deng" in order to get candy. Sound familiar?

Time will tell if this tradition will grow, but it seems like it can only get more popular from here. Let's just hope the trolls don't get mad at the witches, ghosts, and goblins making their way into Norway.

Our 33rd Annual **Stein Fjell Lodge** Sons of Norway

## INTERNATIONAL IN BRIEF

The following is a report/my thoughts\* on convention events which occurred in Fargo at International.

Marit Kristianson, D-2 was elected President, via a white ballot;

There were contests in the other executive races. My experiences with each of them confirmed the realization that all were qualified and worthy.

VP - Ernst Granby, D-8 did not qualify for the 2nd ballot - he does remain as the International Director from Norway for 2 more years;

Auden Gythfeldt was International Secretary, Ralph Peterson was Chair of the Dist. Pres. Council & elected to International in his District - A close race with Ralph the new VP. Both from D-3.

Sec. - Karl Hella, D-1 Sec. for many years did not qualify for the 2nd ballot.

Barbara Berntsen, D-3 and Jon Tehven, D-1 had each served for four years as their International Director. Jon won in a close race.

Treas. - Another close race; however Bill Fosmoie, D-2, did win over our Roger Espeland, D-6.

Note: Roger of course remains as Alternate to D-6 Director Janie Kelly; Janie was elected as the 5th member of Executive Board on Sun. morning.

A neat race for Hosting the 2014 International Lodge Meeting. It will be in Jacksonville, FL, Aug. 21-25, Eidsvold, Norway was the other possibility. Dean Stiller provided details so as to make the financial details more closely provide figures as "apples to apples". Projected costs for International to send supplies and approx. 25 people were \$126. for FL and \$186 to \$193 for Norway, depending on Kroner/US split. Note: we also received prior averages at today's rate, with Fargo = \$135; Idaho = \$154; San Diego = \$189; Vancouver = \$182; DC = \$150; Madison, WI = \$140; Stavanger = \$172; Anaheim = \$152.

\*subject to more detailed and possible more clearly defined follow-ups.

Resolutions regarding Charter & Constitution updates and changes will be forthcoming to further clarify. This was the 3rd convention responding to this.

Bylaw and Resolutions presented:

Bylaw change 4.10.2-revised to "when approved by the Chief Executive Officer and Legal Counsel"

Appeal process 1.8.1.4 - approved more detailed information and shorter response time during the process.

Nominations at International - clarified speeches given, with the requirement to give one from the nominee, etc.

International Director Term of Office - Beginning in 2014, a limit to one consecutive four-year term for Directors; currently there was a two-term (8 year) limit.

Cultural Programs - D-1 will pilot the study of offering programs to also offer multimedia alternatives.... to enhance the broad range of heritage and culture..

Viking for Kids - a form of steady communication be developed for regular basis distribution.

Also that "Be it further resolved that when such decisions about key aspects of our Order are made, each lodge be individually provided with notification beyond printing it in the International Board Minutes or not in the Viking."

Dues Increase Notification - Regarding the raising of dues, which is no longer handled at International conventions, provided that when a change is made -- there be widespread notice via email to local lodge officers and members.

Name of Organization - The Resolution was passed as printed with the request that each District President shall appoint a member to a committee who will review a name change, draw conclusions and submit a written report to International Lodge in 2014. Note: there was what could be termed as a 'sidebar' to this wherein all District Presidents agreed that we 8 would be the named committee as this can easily be incorporated into our DPC meetings each fall and spring at Headquarters.

District Six "New Lodge Development" It was defeated in its present format.

(It was a negative but I saw many paddles not responding. I believe the majority of our members definitely favor pursuing this effort and I shall continue to pursue this under the new 'regime' when we are in Minneapolis for our semi-annual meetings).

Members Services - a request from Norway on clarifying. Defeated as this can be handled within our current system.

Affiliate Membership, 4.6.2.1 - Affiliate members shall "at the discretion of the affiliate lodge", have all rights.

New Member sign-up - a defeat for possibility of new members being assigned to Spirit of New Century (999) if they have made a request to join a local lodge who still votes on new and transferred in members.

A poem was stated at the conclusion of sessions - this was good. However, a Ray Fosse ending for sessions is the absolute best.

There was of course a lot happening otherwise. The Innovative Leadership conference was positive & informative with 15 of our 18 delegates attending it, plus Marne Olson, Carl Peter I., Carolyn Dahl, Nancy West, 6-61, and Tania Oldervik, 6-107, a sister of Teresa Broadhead, our District Tubfrim Coordinator. Sissel Disbrow, 6-107, also attended sessions as a visitor.

The committees were composed of four each and so there was a neat time for interactions among all during the Monday and Tuesday meetings.

Kringen Lodge did an outstanding job; the Ramada staff was efficient, but we had definitely been spoiled by the Holiday Inn staff in Mesa.

I was on the Finance Committee, Mary Beth was on the Law Committee, Nancy Madson was one of the busy Tellers.

Awards were presented during the final banquet, including the top awards for Tier 1 (large) and Tier 2 (small) Lodges of the Year for 2010 and 2011. I was pleased to accept the Tier 2, 2010, on behalf of Hvite Fjell, Reno. I then presented this International LOY to their leaders during the Northern CA Kretssteve on Sept. 2nd.

In addition to myself, the other delegates attending from Zone 8 were Crystal Sundet and Linda Ault.

Lyle Berge  
President, District Six
