As we all know all too well, 2020 was a challenging year, but the business of Springhill Cemetery continued following the pandemic guidelines. It seemed as though we were constantly adapting to the rules as they evolved, and we are grateful for the community's patience and understanding in these challenging times.

One of those challenges was the inability to hold our annual memorial service in June, due to covid restrictions. Despite that, we are very thankful that our supporters were generous in their donations to the cemetery this year, and we would ask for continued support going forward as we are not through with covid yet.

Your financial support is vitally important to keep our cemetery running and we appreciate it. Likewise, we appreciate your compliance with the bylaws that keep our cemetery tidy and safe. . . Specifically: Please do not leave glass, ceramic, or metal containers, vases, or ornaments on graves. Solar lights are not allowed. Please no flowers in front of the columbarium.

The interlocking stone work was completed around the second columbarium this year, and there were several work days to deal with raking leaves, reseeding lawn areas and felling some dead trees. As always, we thank our board members for volunteering their time to tend to these matters.

Please note that our website has our financial statements, annual reports, and bylaws available for reference.

Thank you for the opportunity to serve you,

*Sincerely,*

**Andy Kingsbury**

Chairperson, Springhill Cemetery
