Anthony Acquaviva, VMD, DACVS | Prepared: 11/3/2020 at 15:52 | Treatment Plan: 113332775

I, the undersigned, certify that I am the owner, or authorized agent for the owner, of the animal, "Trixie". I authorize the doctor on duty and assistants to perform the procedures listed in the above treatment plan and estimate, including administration of pain relief medications, sedatives and/or anesthetics, as well as any necessary and appropriate medical, radiological, surgical, diagnostic and/or emergency care for Trixie.

I have been advised as to the nature of the procedures and the potential risks, and I understand the reason why such medical and/or surgical treatment is considered necessary, as well as its advantages, and possible complications, if any. I also understand that no guarantee of successful treatment can be made. In some cases, it is impossible to accurately estimate the total charges involved because the total extent of the injuries or illness may not be immediately apparent. The results of blood tests, urinalysis, radiographs, etc. may be needed before the doctor can approximate a total expense. Additionally, it is impossible to accurately estimate the time an individual animal needs to respond to a treatment plan and this factor will affect the total cost. It is understood that these are estimated fees.

If additional treatment is needed that exceeds the estimated range, the hospital will contact me with an updated treatment plan and estimate to obtain my permission to proceed, and I will increase my deposit accordingly. In the event that any urgent care requirements arise and the hospital makes a reasonable attempt but is not able to contact me, I grant permission to render to Trixie whatever emergency and life-stabilizing treatments are deemed necessary by hospital personnel and agree to pay for these emergency and life-stabilizing treatments even if they exceed this estimate. I understand that prices on this treatment plan and estimate are valid for 27 days from the document date.

If additional care is necessary, that exceeds the initial estimate, we will require payment of the current balance in full plus an additional 75.00% of the new estimate.

For hospitals not open 24 hours a day, please be advised that if your pet is hospitalized or otherwise stays overnight or after hours, there may be periods during which there are no personnel on the premises.

A MINIMUM DEPOSIT OF 75.00% OF THE ESTIMATE IS REQUIRED: \$2,882.93

I assume full financial responsibility for all charges and services incurred to Trixie while in the hospital and agree to pay all such charges at the time of release of such patient.

I hereby certify that I have read and fully understand this authorization for medical and/or surgical treatment.
