Welcome to OPPA!

Welcome to OPPA!'s production of the The Holiday Follies! On Pitch Performing Arts (OPPA!) started just about 7 years ago here in Layton to give a home to theatre in Layton and a place for education in the arts. We believe that through the arts we can help create a better community for our families to live, work and play in. OPPA! is a non-profit run by an amazing staff and board of directors who work everyday to further our mission. We encourage you to take a minute and look through our website and find out how you can help support the arts here in our community.

The Holiday Follies is our annual tradition that celebrates our community. We love this show because not only do we get the chance to wear extra sparkly things we get the chance to share our stage with lots of great community artists.

As you watch this show please think about all the amazing art that happens in our community and think about how you can help it continue! We have spent the last few years figuring out how the arts live in a new world and I'm not sure we have the exact answer yet, but what we do know is that this year has needed the arts more than ever.

We would like to thank Davis County Tourism and Events, Layton High School, Rachel Helwig, First Community Bank, Legacy Pediatric Dentistry, The Sorenson Legacy Foundation, and the our creators club members for their generous support of this show and our 2022 season.

Now as you enjoy the show please turn off those phones, and escape with us into the sparkly world of the Holiday Follies, and most of all relax and enjoy live theatre at a time when we need it most.

Sending love
