

About Us...

The goal of the Sun Lakes Senior Softball Association (SLSSA) is to provide a recreational outlet that enables men and women over the age of 50 to enjoy the game of slow pitch softball. While competitiveness is a given, participants also experience camaraderie and exercise with an emphasis on player safety.

Games are played at the Field of Dreams ballpark located at the corner of Price and Riggs Roads in Sun Lakes, AZ. We are supported by many local businesses and the efforts of numerous volunteers who display an extraordinary amount of commitment and hard work, ensuring that our activities are successful. Select the Sponsors tab and click on any of the sponsors' names for more information.

League play is from November through mid-April with games played on Tuesday and Thursday mornings. Informal pick-up games are played from April through October on Tuesday, Thursday and Saturday mornings. In addition, our Ladies' Team plays in a local league from January through March. Please click the Ladies Team tab for more details.

During the months of November through mid-April, we also have an informal Monday morning program. This program includes batting practice and pick-up games and is designed for players who may not have played for several years, may be at a

lower skill level and/or those who cannot commit to the structured Tuesday-Thursday league. Call coordinator Red Waterfield at 480-895-6100 for more information.
