Re: Septic and Well Program

Berkeley and Morgan County Health Departments will continue to accept well and septic applications at this time. Please submit them via email or fax to the appropriate health department. Please understand that repairs and finals will take priority. Evaluations and new applications will be handled as promptly as they can be during this pandemic.

Your understanding would be greatly appreciated at this time as we are also tasked with many other items.

Sincerely,

Cara N. Harding R.S.
