Dear All,

Congratulations for having been shortlisted to the final stage of our recruitment process. We believe you have given in your undertaking and will be submitting the photocopy of the tickets before leaving for the Rural Attachment Test (RAT) as instructed by our office.

You will be undertaking RAT under the supervision of SeSTA Bongaigaon, Assam. You can look up for details in www.sesta.org.in. It is an Organization working for the development and women Empowerment. They have won India Development Marketplace Award in 2014 by World Bank and Chief Minister's Best Action Award for Community Development for Bongaigaon district in 2014.

They also provide career opportunity. Their core belief is that young educated people with empathy towards the poor must work at the grassroots to alleviate poverty. They recruit young people, passionate and meaningful people to bring a change in the lives of the rural people.

With a brief introduction to SeSTA let me announce that the Batch- 1 will have to report on the 5th of March at 11 am sharp for final briefing in the office. Attendance will be compulsory.

The Batch- 2 is requested to report on the 7th at 11 am sharp also in the office.
