### Pumpkin Carving Day

For a minimal fee you can join us for a fun day of pumpkin carving. We are hoping to have this event outdoors for more fun and promote safety.

More information to come! Follow us on Facebook and Instagram, and keep an eye on our website!

Happy Halloween! Grab your favorite candy bucket and pull out those scary costumes, because Trunk or Treat is coming soon! The Mulliken District Library is pleased to team up with other local and independent businesses to put on a frightfully batty event for the community. We will be having a CANDYrific trunk decorating contest again this year.

**COVID-19 Back-Up Plan:** If we cannot gather in large groups, we will still have a "Drive-Thru Trunk or Treat." Our trunk decorators will be appropriately spaced. You will drive through, see the fun decorations, receive candy and treats, and enjoy a fun *untraditional* Halloween.

## Community Resources Page!

On our website we have created a new "Community Resources" section. You can access the Village Ordinances and see what is happening in the village. Check it out!

## Friends of Mulliken District Library

Something new and exciting is coming to the library and we could not be more thrilled! This group not only benefits the library in astronomical ways, but also benefits the community as a whole. This will take time to get started and set up, especially with COVID, but we are confident that the members who volunteered to help bring this group to life will do an amazing job.

## Call for Calendar Picture Entries!

Every year we collect artwork from our young patrons and make them into a fun calendar. We are now collecting artwork until November 30th for our annual 2021 calendar.

## Mulliken Men's Group

There is a new group being formed in Mulliken and it's just for the guys. If you are interested in learning more the library was given a flyer to hand out.
