

CENTRAL BLOOD MOONS

7-YEAR INTERVAL OF THE BULL'S EYE OVER JERUSALEM

"Can you bind the chains of the Pleiades? Can you loosen Orion's belt? Can you bring forth the constellations in their seasons or lead out the Bear with its cubs? Do you know the laws of the heavens? - Job 38:31-33

The purpose of this timeline-chart is to focus exclusively on the Bull's Eye Blood Moon 7-Year interval and its possible significance. The start of the 7-year interval begins on the Jewish feast of Pentecost, in June of 2011. IF so, then Pentecost could be a pivotal point of reference in considering its possible prophetic significance in time and meaning as it relates to a the possible conclusion of the Church Age, the Rapture and the commencing of the Tribulation before 2018. A timeline will plot the 7-year Interval of the 2 Blood Moons that rarely occur, much less being exactly 7-year apart and in the same Constellation and in direct line with Jerusalem. The Zodiac or Mazzaroth will be plotted onto the Earth geographically to show how it reflects the Heavens with the emphases on Taurus and its locality on Earth. It correlates to the 7 Churches of Asia as the Pleiades with the Taurus Mountains in modern day Turkey. This is taken from a Judeo-Christian world point of view.

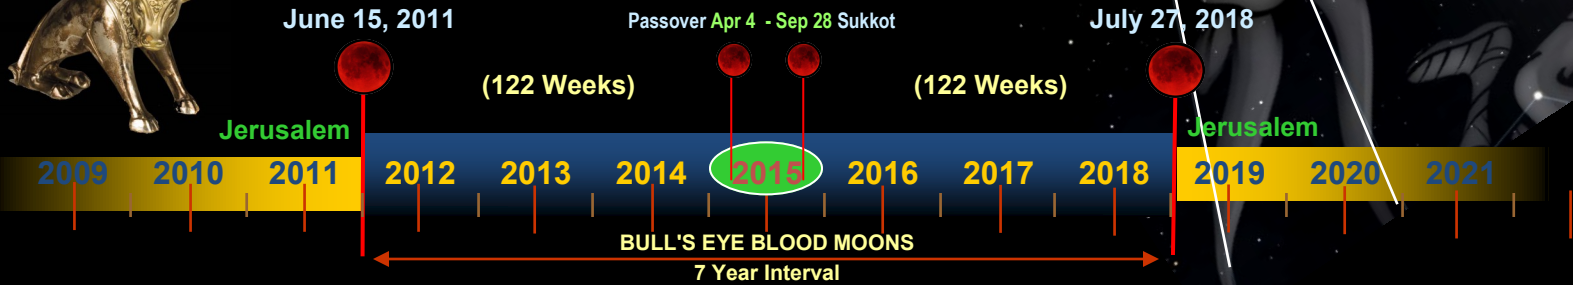

SOME OBSERVATIONS

- Both "Bull's Eye" Blood Moon will be in direct line, seen from Jerusalem and in-between the 2 horns of the Taurus 7 years apart.
- The 2 Blood Moons of 2011 and 2018 are associated with a Pentecost Feast wheat 'harvest' that occur when the Sun is in Taurus.
- The June 15, 2011 Bull's Eye Blood Moon takes place exactly in-between the Horns of Taurus making 2015 a sort of start point in time.
- The Sun is in the Sign of Taurus during the season of Pentecost - as it was in Mt. Sinai and 50 days after the Resurrection of Jesus Christ.
- The Constellation Taurus with Pleiades mirrors its opposite geographic positions with Pleiades as the 7 Churches adjacent the Taurus Mts of Turkey.
- They are distanced apart in a similar pattern from the Taurus Mountains opposite their positions as are the Pleiades from the Head of Taurus.
- The 7 Churches of Asia from Revelation are geographically in a "V" shape like the horns of a Bull in the Constellation Taurus.

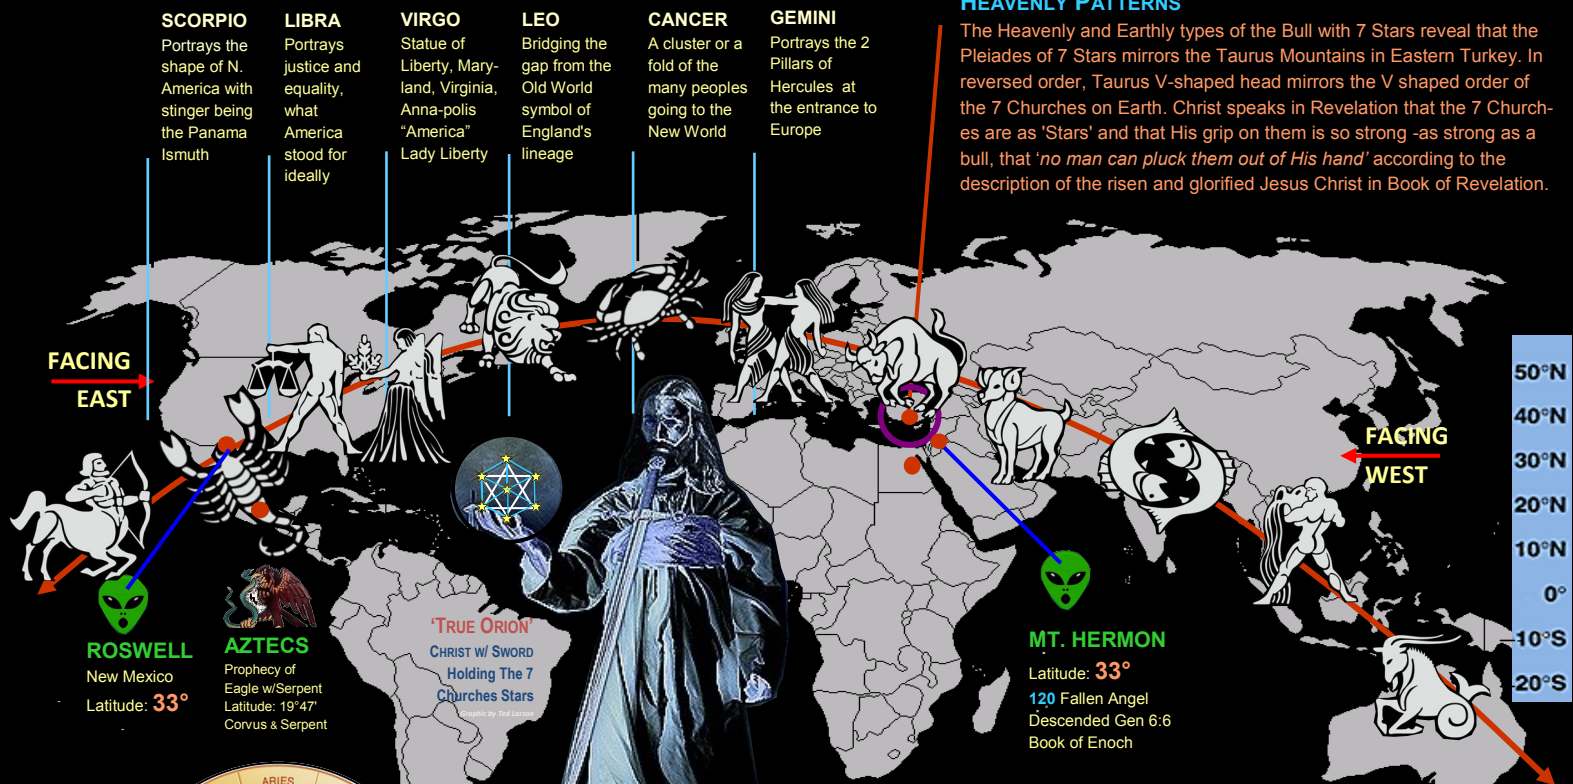

2ND HALF OF THE TETRAD

IF the year 2015 is to herald the 3rd Temple to be built, then 3.5 years from 2015 is 2018. Could this in turn possibly make 2018 the Halfway Point of the actual 7-Year Tribulation Period?

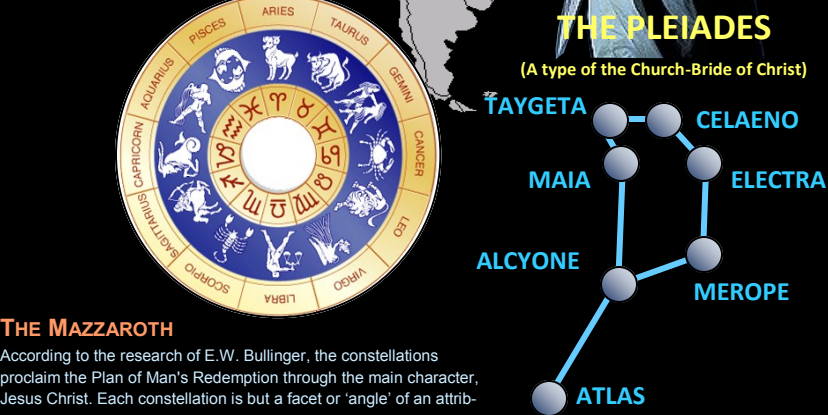

THE WITNESS OF THE SKY

The 12 Constellations in the Heavens can be mapped out on Earth as they mirror their positions with key geographic latitudes and longitudes. Symbols and numbers play a significant role in all things spirituality as YHWH is the author of mathematics and design. Each Zodiac symbol has a meaning ascribed to the redemptive work of Christ. The Constellations tell the story of the King, His 1st coming and His triumphant return. The story starts in Virgo and ends with Leo. What is amazing is that only from Earth can this storyline be viewed, as if it was made for Humans, to read and comprehend from Earth. As Paul states in the Book of Romans, they are the 'Silent Witness' to the LORD's Plan of Redemption from Mankind's Fall.

HEAVENLY PATTERNS

The Heavenly and Earthly types of the Bull with 7 Stars reveal that the Pleiades of 7 Stars mirrors the Taurus Mountains in Eastern Turkey. In reversed order, Taurus V-shaped head mirrors the V shaped order of the 7 Churches on Earth. Christ speaks in Revelation that the 7 Churches are as 'Stars' and that His grip on them is so strong - as strong as a bull, that 'no man can pluck them out of His hand' according to the description of the risen and glorified Jesus Christ in Book of Revelation.

THE 7 SISTERS (CHURCHES)

According to the Bible, the Scriptures uses a metaphor for Believers and Followers of Jesus Christ, the Messiah as a Bride. He is presented as a 'Groom' that has redeemed or paid for a 'Wife'. In this case a 7-fold composition that highlights 7 conditions and time dispensations according to the Book of Revelation and teachings by the Apostle Paul. Others ascribe, through mythology such similar associations with the Pleiades to the Church, as the Bride of Christ. In this case, Christ being 'Taurus' upholding and protecting her from His fierce Wrath.

THE END-GATHERING AT PENTECOST

Pentecost is the time of an 'end-gathering' or harvest of Barley. It is a time memorialized by the story of Boaz and Ruth in that a Gentile bride was grafted in and married by a Jewish Nobleman. Pentecost is also associated with Mt. Sinai. It is an events mirrored much like what happened at the Upper Room with Christ and the Disciples at Pentecost. There was Fire, Sounds, Power, going up/down and a Trumpet Blast. The 7-year Blood Moon interval may not necessarily be the "Tribulation" but a precursor marking-off that time span or the overlap with the actual one as perhaps there will be a spiritual 'harvesting' of souls during a Pentecost season where a 'Bride like Ruth will marry her 'Boaz', Jesus Christ.

THE MAZZAROTH

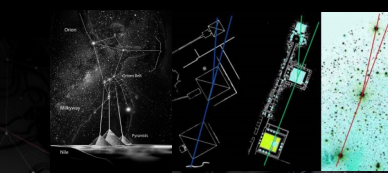

According to the research of E.W. Bullinger, the constellations proclaim the Plan of Man's Redemption through the main character, Jesus Christ. Each constellation is but a facet or 'angle' of an attribute and characteristic of the Messiah. Likewise, the configuration of the stars can be superimposed onto the Earth & many locations are specifically copied or mirrored as such.

MT. SINAI

On Pentecost, Israel gathered together, YHWH came down and Moses went up with for the Tablets. Outwardly Mt. Sinai was full of 'Fire, Trumpet Sounds and the Golden Calf-Taurus with Sun in middle.

EGYPT at GIZA PLATEAU MEXICO ORION

Examples of how star configuration are mirrored on Earth

SILVER GATE (Gate of Man)

Orion

Taurus

THE UPPER ROOM

On Pentecost, 120 Disciples gathered and 'went up' as the Holy Spirit came down inwardly with "Power, Fire & sound of Rushing Wind" - as if a blast, a type of Mt. Sinai.

NUMERICAL ASSOCIATIONS

It is interesting that according to the Book of Enoch, there were 120 Fallen Angels that left their 'First Estate' and mingled with the 'seed' or DNA of Humanity. Such illicit interactions are also recorded in Genesis 6. In a same parallel occurrence, on Pentecost 50 days after the resurrection of Jesus Christ, there were likewise 120 Disciples of Christ that met on Mt. Zion where GOD the Holy Spirit came down and indwelt the Disciples with Power from 'on high'. This Power was to enable the Followers of Christ to be witnesses of the redeeming work of Christ to the world.
