

'9 Square'

Stay in the center (King square) of the game as long as possible. How long will you be king?

'9 Square' it's just simple fun.

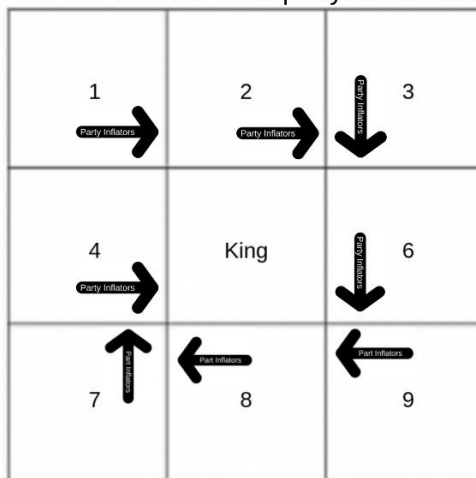

The player in the middle square (the King Square) will serve the ball by hitting the ball up and out of their square. When the ball comes into your square simply hit the ball up and out of your square into any other square.

Rules:

- If the ball falls into your square, you are out.
- If the ball is hit outside of the whole game structure, the last person who touched the ball is out.
- If someone double hits the ball, they are out.
- If someone hits the game structure, they are out.
- When someone gets out, they move to the back of the line. Everyone who was behind them will advance forward one square to fill-in the empty place. See the following rotation pattern to reach the King Square.
- Follow this rotation pattern to the King Square.
