Presidents Message

By Ron Ferris

Spring has finally arrived but with all the rain, training has been difficult. It has been great for the morels however. I have found 12 pounds of spikes so far and the greys and yellows are yet to come. Many of the Hunt Tests have either been cancelled or the numbers of entries have been very low, due in part to the economy and the weather interfering with training this winter and spring. Our GSPCI test was down this spring but we still made a small profit partly thanks to Mark Holzinger and Eddie Manifold furnishing the horses for no charge.

We need to have a directors meeting soon to plan our summer events. I suggest May 15 at 2:00 PM at my office. Will the directors get back with me to let me know if that date is satisfactory? By the time you get this newsletter, the GSPCA Nationals will be over. We hope those from the GSPCI Club have done well. Your club has sent a basket for the raffle as usual containing canine health aids and a little of Indiana Spirit from our local Wineries to help our human companions feel a little better for a short time anyway. The Indiana basket is always very popular and gets a lot of attention. Have a fun and safe summer. Ron Ferris Pres.

Happenings and Brags

Vince Guerrini and his Dog Kasper Vom Ferronhaus (Doc) completed their Junior leg of the hunt test on Sunday of the GSP Hunt Test. Now it's on to the Senior Tests!

Troy Wood and his dog Sally wrapped up her Senior title at the Glenn's Valley GSPCIN spring hunt test.

Troy also ran his pup Emmett Vom Montgomerycreek in a NAVHDA Natural Ability test scoring a Prize 1!

Last, but certainly not least, Troy's son Ethan shot his first pheasant at the VERY frigid youth and ladies hunt at the beginning of the year. CONGRATULATIONS to Ethan!

Misc.

Troy Wood is still looking for high resolution images for the website. Please forward any and all pics to wood0388@att.net

Editors Closing Note

Well, we went from an absolutely freezing winter to an absolutely soaking wet spring. Not the best conditions for dog training. We want to personally thank the volunteers that put together all of our events. Sub zero temperatures, no problem. Rain and cold, no problem. Club members should be proud of the folks that give their time and energy to these events and we thank them. Have a good summer. Stay cool.
