## **Trial-Run session\***

\*Trial run services are priced the same as wedding day services

We recommend a 1½ hour practice session for the bride (2 ½ hours if adding makeup). We urge you to bring in photos of styles you like, and the headpiece/veil/combs (if any) you will use. A complete walk through of the style will be done. Without a practice session, we cannot guarantee the hair /makeup will come out exactly as you want. **The cost of the trial run session is additional.**

## **On the day of services**

Members of the wedding party must have their hair clean and dry prior to styling. Hair that has been shampooed the day before tends to hold style better than hair that is shampooed on the day of styling. Please ask everyone to NOT use styling products prior to their appointment, as that can make hair extremely difficult to curl and style. It is also helpful to remind them to **wear a button up shirt.**

The stylist will provide all hairpins and styling products. The wedding party may bring in any hair ornaments or flowers.

If you are receiving makeup services, please come in without makeup. Moisturizer is fine. Since lipstick/gloss will need to be reapplied throughout the day, you may wish to bring your own.

It is imperative that your party be on time for your services! We carefully schedule the time we need to ensure that you will be out of the salon when you wish to be, so please help us by arriving at the appointed time.

## **Nail Services**

We recommend that nail services be done a day or two before the wedding to allow more time for last minute details. We strongly suggest the manicure be done with a gel formula (ex. Shellac <sup>TM</sup>), in order to minimize the risk of chipping. However, we would be happy to make “repairs” during the wedding day appointments if necessary. ☺

### **After-Hours Appointments**

For appointments outside scheduled salon hours (ex. Sunday), there is a \$10 per person additional fee.

### **Condition of Fees Received**

For parties of more than three people, a non-refundable deposit of \$100 will be charged at the time appointments are finalized. The deposit will be used toward services received at the time of the wedding day appointments.

### **In Salon Price for Weddings \***

\*Please refer to our service menu for current prices

\*salon prices are subject to change

All prices include styling only. Additional fees (and appointment time) will be required for shampooing, blow drying and cutting. Clients must be present for an exact price quote. Otherwise a generalized estimate will be quoted and will be subject to change.

On the last page please provide a detailed list of all members of the bridal party having styles done. With the bride's signature, it is assumed that **all** members of the bridal party agree to Lake Salon prices and policies.

**This is your special day—a day you will remember forever! Thank you for allowing Lake Salon to help you look and feel your very best on your wedding day!**

### **Tipping**

Your stylists strive to provide exceptional wedding services. Please be aware that gratuities are not included in the price of your services, and tipping is always appreciated.
