

Art by J is happy to announce that after much deliberation and consulting with the health department, we have decided to have 3 art camps. They are scheduled for June 22-26, July 13-17, and August 3-7. There will be a limit of 10 students. All health guidelines will be followed.

Please take a moment to read the precautions we are taking.

You will also find a registration form.

Thank you for your continued support of Art by J.
