

Family Discipleship Conference

May 4-7, 2017

What's Happening?

At UpRiver Bible Church, we understand the value of a strong family and investing in our young men, women, as well as their parents and grandparents. As a result, we have invited the Wilson family to come present this four-day event designed to teach, inspire, and encourage our young men and women, as well as their parents and grandparents, to be God-honoring in the way they live their day-to-day lives.

The Schools of Grace & Honor are concurrent schools that will teach young men & women to glorify God through Biblical manhood and womanhood and instill in them a desire to seek, display, and live out honor and grace in every aspect of their lives. Friday and Saturday evenings, after dinner (provided by UpRiver Bible Church) Randy & Lisa will be speaking to the fathers/grandfathers and mothers/grandmothers respectively. We want to encourage you to participate as a family (families with smaller children are welcome to have them sit in on the schools or stay with them in the sessions) taking full advantage of this opportunity.

Parents and grandparents are welcome to sit in on the School of Grace/Honor sessions.

Cost:

School of Grace (ages 9-19) — young women older than 19 are welcome to sit in on these sessions but will not receive the materials.

\$70 for the first young lady from each family, \$40 for each young lady from the same family

School of Honor (ages 9-19) - young men older than 19 are welcome to sit in on these sessions but will not receive the materials.

\$80 for the first young man from each family, \$50 for each young man from the same family.

There are a limited number of partial scholarships available to help individuals/families to whom attendance wouldn't be possible without assistance. Please contact Pastor Brian Primer with your need. Phone (208) 245-2258 or email at pastorbrian@upriverbible.com
