

BUILT GREEN CERTIFIED HOME BETTER LIFE, BETTER WORLD

Values-based Home Builder

At Sun Porch Homes we get it. We are rooted in the Nanaimo community and contribute to its well-being by improving the comfort and health of our newly constructed homes, reducing our carbon footprint and are one of Vancouver Island's largest private Living Wage Employers.

Better Life

- Improved indoor air quality
- Reduced off-gassing & VOCs
- Improved Health & Comfort
- Increased home resale value
- Sustainable building practices

Better World

- Greater energy efficiencies
- Recycle, reuse programs
- Improved housing durability
- Waste & water management
- Kind to the environment
