

## Selling custom made monogram watches on your website:

1- Go to [www.monogramwatch.com](http://www.monogramwatch.com)

2- Register as a dealer

[Click Here to Register or to Log In](#)

3- Login and use the dealer-specific URL link provided after you logged in.

<http://monogramwatches.com/product.php?DealerID=NQ==>

4- Use one of our images to post on your site.

Get your webmaster to place the image and the link on your website.

Once the link is up and working the orders will process with your information as a dealer.

**Customers can now place the order from your website.**

Once order is finalized emails will be sent to:

Email 1- (Dealer-You) All the customer information with the order details.

Email 2- (Customer) confirmation and receipt of order.

Email 3- (Monogram Watch) Order details for processing. (Except payment information).

The dealer (you) process the payment and submit the payment to monogramwatch in place for the order to start processing. Customer receives via drop ship their custom monogram watch within a week after (dealer) your payment.
