

Seminar: INTRODUCTION TO OIL AND GAS POTENTIAL
Date: October 24, 2019
Location: Botwood Kin Centre

The Town of Botwood and the Exploits Valley Port Corporation, in conjunction with the Exploits Regional Chamber of Commerce are hosting a seminar entitled “*Introduction to Oil and Gas Potential*” on October 24, 2019.

The seminar will feature the following speakers from various aspects of the oil and gas industry:

Presenters	Topic
Charlene Johnson CEO, Newfoundland & Labrador Oil & Gas Industries Association (Noia)	Canada’s Offshore Oil and Gas Industry: Imagine the Potential
Jim Keating Executive Vice-President, Offshore Development & Corporate Services, Nalcor	Newfoundland and Labrador’s Oil and Gas Industry: Defining the Opportunity
Tim Murphy Senior Advisor, Regulatory Reform & Public Engagement, C-NLOPB	C-NLOPB Overview and Update on Scheduled Land Tenure Process
Bill Fanning President & Country Manager, Kvaerner	Deep Water Floater Concepts for the Newfoundland Environment
Richard Mandeville Vice President Subsea Projects, Canada, Technip FMC	Subsea 101: An Introduction to the Subsea Industry in Newfoundland and Labrador

The first three speakers will provide participants with an overview of the potential in oil and gas developments for offshore Newfoundland and Labrador and an overview of the role of the Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB). Other presentations from industry representatives, i.e. Kvaerner and TechnipFMC, will provide the audience with overviews of some of the technologies currently being utilized in Newfoundland.

The seminar will conclude with a luncheon and our keynote speaker will feature Roger Grimes, Chair of the C-NLOPB, who will address the topic of “*Producing Oil While Going Green?*”

Participants will have an opportunity to ask questions of the speakers as well as mingle and network during coffee breaks and the pre-luncheon networking session.

Space is limited so we encourage you to register soon. Registration forms are attached.
