

French Café 2018 – Le Café de Whoville Maurepas School

Maurepas, November 1, 2018

Dear Parent or guardian,

As you probably know by now, our traditional French Café will be held on November 29, from 5:00 to 7:00 pm. This 5th grade charity event's purpose is to raise money to help the less fortunate families in our community by providing children with Christmas presents and food for their family's Christmas dinner.

The French Café operates strictly on donations. We ask parents to donate food, drinks, and supplies for the café. In the past, the generosity of the parents of the 5th graders, faculty, and staff was enough to host the café. However, the success of the café is so important now, we are in need of more donations in order for our café to be as successful this season as we have been in the past.

The Café night is also filled with other fund-raising activities such as the Silent Auction, where people can bid on artistic pieces and crafts, and the "Raffle for a Basket," where people can purchase raffle tickets to win a huge basket of goodies. We will also have a gift shop, Santa's Workshop, and a Cake Walk. All of these activities will help to raise money with the French Café and will also be used for our charitable cause.

For all of these reasons, we are extending our wish for donations to the whole school; in fact, we are extending it to the whole community. You can find a list of all the things we need on our Face book page. It will be updated daily. If you would like to donate and help us, please go to [Facebook.com/MaurepasSchool1](https://www.facebook.com/MaurepasSchool1) and complete the form with your pledge to our cause. You can send back the form with your child by Friday, November 16.

The French Café has always received your support in the past, and I know that we can count on it again this year. Thank you in advance for your kind donations.

Sincerely,

Frederic Ledent
