JENNINGS-LYON DAY HOME

JLDH opened with daycare on July 1, 1989.

So this year we will celebrate
thirty years of service to this community!
We are thinking about ways to celebrate.

If you have ideas of ways we could
celebrate, especially the 4th of July, please
let us know. We welcome your suggestions!

2017

Why JLDH? Children are our priority. We have professional staff who can respond to the educational learning needs of your child. They make learning fun! We provide a safe, secure environment in which your child can grow and learn. Our wonderful outside LED lights and our locked facility with a video intercom system provide safety for our JLDH kids and give you peace of mind. We have a large fenced in playground so kids can explore outdoors getting lots of physical activity and developing coordination. We are DCFS licensed.

Meet your Candidates for the Village Board in the Upcoming Election April 2, 2019

your **VOTE**
is your **VOICE**

Margaret Strothman-I have lived in town 5 years and 12 years outside of town. I am owner of Strothman Automotive in Norway doing a little of everything, been in the Accounting/Business Management field for over 25 years. I wanted to run for Trustee because I want to help the Village grow and become stronger. I have wanted to be more involved and help improve our community for the citizens.

Michael J. Mott-I have lived in Sheridan for 7 years. I am a retired truck driver for ABF Freight. I have 43 years as a truck driver starting in the Pacific Northwest logging and sawmill and 25 years Local Freight. I have been a volunteer fireman as well as in search and rescue in the Cascade Mountains in the state of Washington. I am now retired and have time to take on responsibility of Village Trustee giving time back to help improve our village which is important to me.

James W. Skalic-I have been a Sheridan resident for 25 years. I am currently self employed. I own/operate Calico Café and Catering. I'm interested in being a trustee to be more involved in decisions about the village as well as to help continue the July 4th activities and encourage more activities for the people of Sheridan so it can go on and be the friendly, fun town it has always been. It is a responsibility I take very seriously and will work hard to represent the people of Sheridan to run the village the way the people want. I have been asked by many residents of Sheridan over the years to run and the time is now.

Joseph L. "Jay" Waldvogel Jr. -I became a resident of the Village of Sheridan nearly 5 1/2 years. I enjoy living in Sheridan, with it's close proximity to the Lower Dells of the Fox River. The ease to walk my dog or ride my bicycle in the area. Having the Robert Rowe Library close for my research and business needs. The staff there is very friendly and helpful. I have practiced Dentistry for over 40 years and now am semi-retired self employed focusing on special needs ambulatory patients and those qualified home bound veterans. I travel 2 to 3 days per week to the facilities and locations providing limited oral and dental care to those who need such services. Being a small business owner for over 40 years, I have had to maintain a fiscal responsibility relative to my cash flow. Always a commitment to excellence when providing services for my patients, and sound consistent administrative leadership to my employees. I lead by example with an open door policy and good listening skills. With those skills and principals established for over 40 years, I believe I am qualified to represent the residents of Sheridan as an elected Village Trustee. When I found out there were 3 vacancies open for the board I felt there is an opportunity to contribute to the betterment of the Village in being elected and working with the current Trustees and Mayor with fiscal responsibility to residents, business owners and taxpayers, maintaining a pristine ecosystem and surrounding environment of the Fox River, supporting the Robert Rowe Library and its commitment to reading and educational programs for our residents and students, street and sewer management and maintenance, to assure property owners understand the importance of maintaining their homes and property for esthetic and health reasons and to support the Veterans Memorial and those who have served.

Judy Ann Hinterlong-I have called Sheridan home since 1999, and the surrounding area all my life. I am currently employed as a logistics operations analyst. I have been fortunate to have previously supported the community through numerous fundraisers, our Community Club, as the president of the Sheridan PTO and vice president of the Serena Sports Boosters, as the mother of a firefighter/EMT, and now am honored to have been chosen as the Financial Chair for the village board. I bring 20+ years of purchasing experience as well as meticulous record keeping, and look forward to using this experience to best serve our community.

Krysta Olson-I have lived in Sheridan for 9 years. I am currently employed as a clerk at the Sheridan Post Office. I am interested in being a part of the decision making for the many things we do for our small town. I want to be part of bettering the place I live.

Happy New Year!

In 2018, the Village of Sheridan recognized employees and Trustees of the Board for their years of service. Pins were given in 5-year increments. Those recognized were:

- Cathy Grimwood and Jon Walker – 5 Years
- Chuck Bergeron, Peggy Arneson, and Jeff Wilhelm – 15 Years
- Brian Faber- 20 Years

Thank you to all for your hard work and dedication to the Village of Sheridan!

New Ordinances passed in 2018 that may interest you include:

- Ordinance #2018-27 As to golf carts; Any minor child on a golf cart should be seated in a forward-facing seat with safety restraint in place.
- Ordinance #2018-63 Outside storage of firewood located in rear or rear side yard, shall be neatly stacked and contained within an area not to exceed 32 square feet. The foregoing shall not limit the storage of firewood within an enclosed accessory building or vehicle.

Our upcoming projects in the Spring of 2019 include the following:

- Robinson Street Overlay which will begin at the southern Village limits and extend north to Church Street
- Design and Construction of a Parking Lot at the northeast corner of Robinson Street and Si Johnson-a joint agreement between the Village and the Robert Rowe Library
- A Safe Routes to School grant was applied for in 2018 and upon the receiving that award the Village intends to reconstruct 12 blocks of sidewalk in the southern portion of town along Grant Street, Barr Street and Bushnell Street. The awards are expected to be announced in March. Keep your fingers crossed!
- Main Street alley will be improved to alleviate current drainage problems
- Approximately 2,000 square foot of miscellaneous sidewalk construction and reconstruction will take place at our most critical locations in the spring

Here's to a new and exciting year!

~Your Village President, Shelly Figgins
