# Bamboo

Taking inspiration from nature, **Bamboo** has a sculptural grace which balances design with performance. The raised embossed design is influenced by the natural flowing form of bamboo. The white range is available in a comprehensive collection of items. Two feature colours, **Dusk** and **Mist**, inspired by shades of the landscape make exciting complementary additions to the range. The colour subtly enhances the linear embossment.

# Inspired by nature

With an organic sculptural appearance and impressive performance attributes, Bamboo has it's own distinctive style. A modern and delicate embossment combined with long lasting durability and strength.

# Modern and delicate for gourmet and casual

The combination of the embossed design and the introduction of colour makes Bamboo the perfect choice for gourmet presentation or casual dining. Statement items and feature colours within the collection can also create stunning signature dishes whether presented independently or as an eclectic modern mix with other Churchill products.

# Conference and banqueting

Offering a wide collection of items including presentation plates and footed plates for service. Items are lighter, designed to stack and are ideal for large scale dining events. Bamboo also offers a comprehensive beverage range.

## FEATURES & BENEFITS

### Super Vitrified Body

Super vitrified is a vitreous body that does not absorb moisture, it is more hygienic and has better heat retention properties. Its high resistance to thermal shock helps reduce breakages and provides superior strength.

### Superior Glaze Finish

Protected by our ecoglaze, a high performance glaze that enhances product performance, prolonging the life of the product, improving stain and metal mark resistance and durability.

### Hand Decorated

Coloured Bamboo items are decorated individually by hand, which subtly enhances the linear embossment.

### Footed Plates

Key plate sizes have a foot which is an essential requirement for banqueting. Elevated from the table, easy to carry and transport, allowing air to flow when stacked.

### Lighter

Refined thinner profiles dramatically reduce the weight of each item. Easy to handle and excellent stackability reduces storage space back of house.

### Fully Glazed Base on all Flatware

Prevents damage when stacking.

### Improved Face Profile

A defined rim edge to improve food presentation.

### Strong and Streamlined

Lightweight, attractive product with a rolled edge that is more than capable in any back of house environment.

### 5 Year Edge Chip Warranty

Covered by our 5 Year Edge Chip Warranty.  Denotes items covered by the warranty

### Microwave & Dishwasher Safe
