

Municipal Property for Sale: Three Land-Locked Parcels South of Cloud Lake

Needing Council declared this property surplus at its meeting held on August 7, 2019 for the purpose of sale.

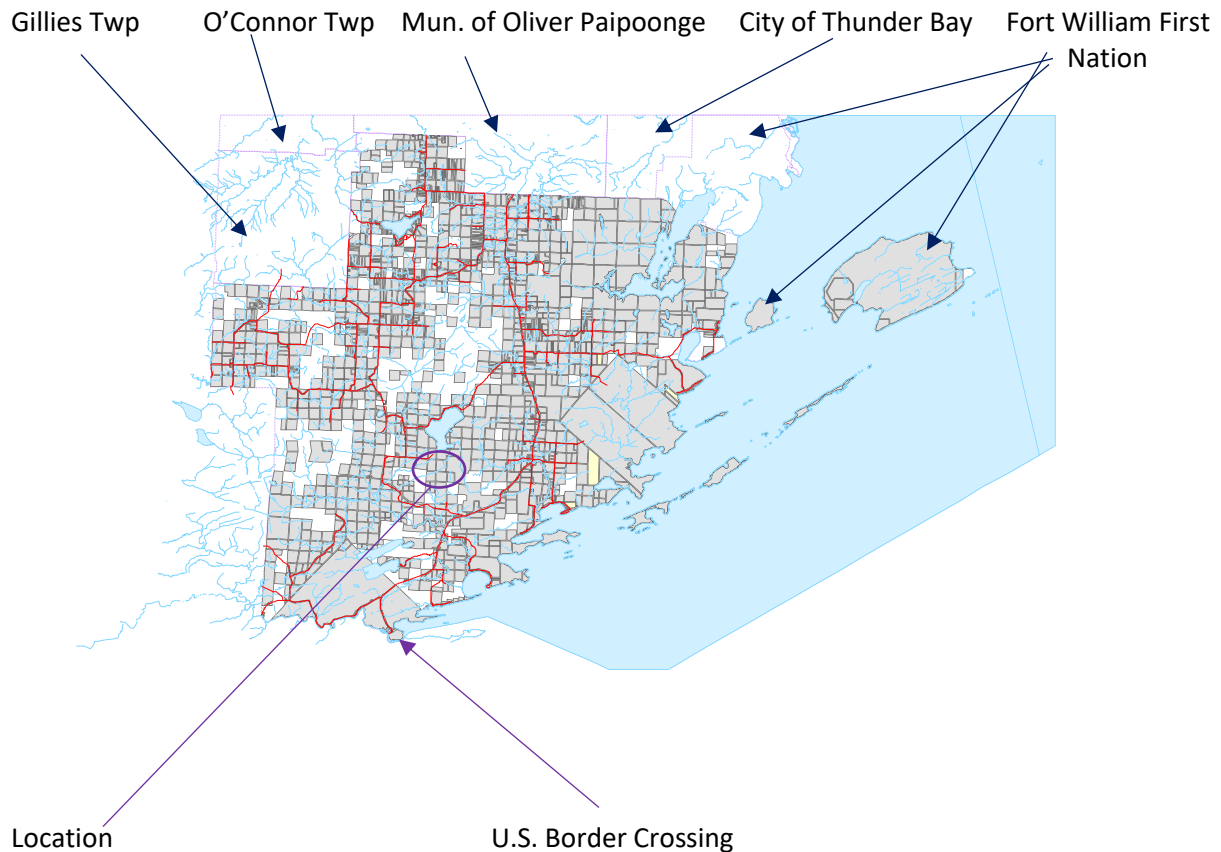

There are three adjacent, land-locked parcels of land available. The first is an 80 acre parcel. The second is a 160 acre parcel abutting the first parcel, to the north of it. The third is another 160 acre parcel abutting the second parcel immediately to the east.

The asking price is \$113,000.00.

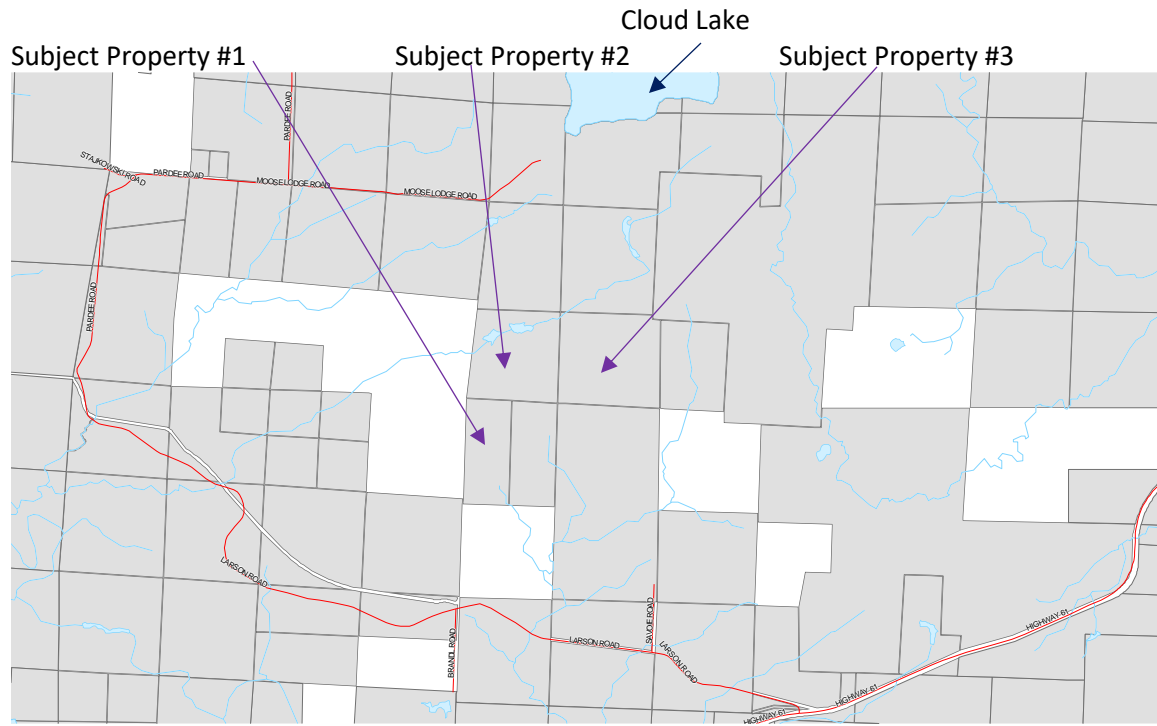

The Council is open to offers from the general public. Council's preference would be to sell the three parcels together, as one package, however, offers may be made on any one or two of the three lots.
