Collaborative Cooking & Social Skills

12:30-1:30 Mondays

Four weeks: June 17, 24, July 1, 8, 15, & 22

Cost: \$240 for 6 weeks includes supplies

Target Ages: 8-14

This group will focus on building social skills during collaborative cooking activities. This year's projects will include planning and baking. Social skills will be addressed as they arise naturally during sessions, as well as planned discussions. Group size will be limited to ensure individual attention for social skill development support.
