

Roy H. Mann Grade 6 Orientation

July 28, 2022

Welcome to the Family

Mission Statement

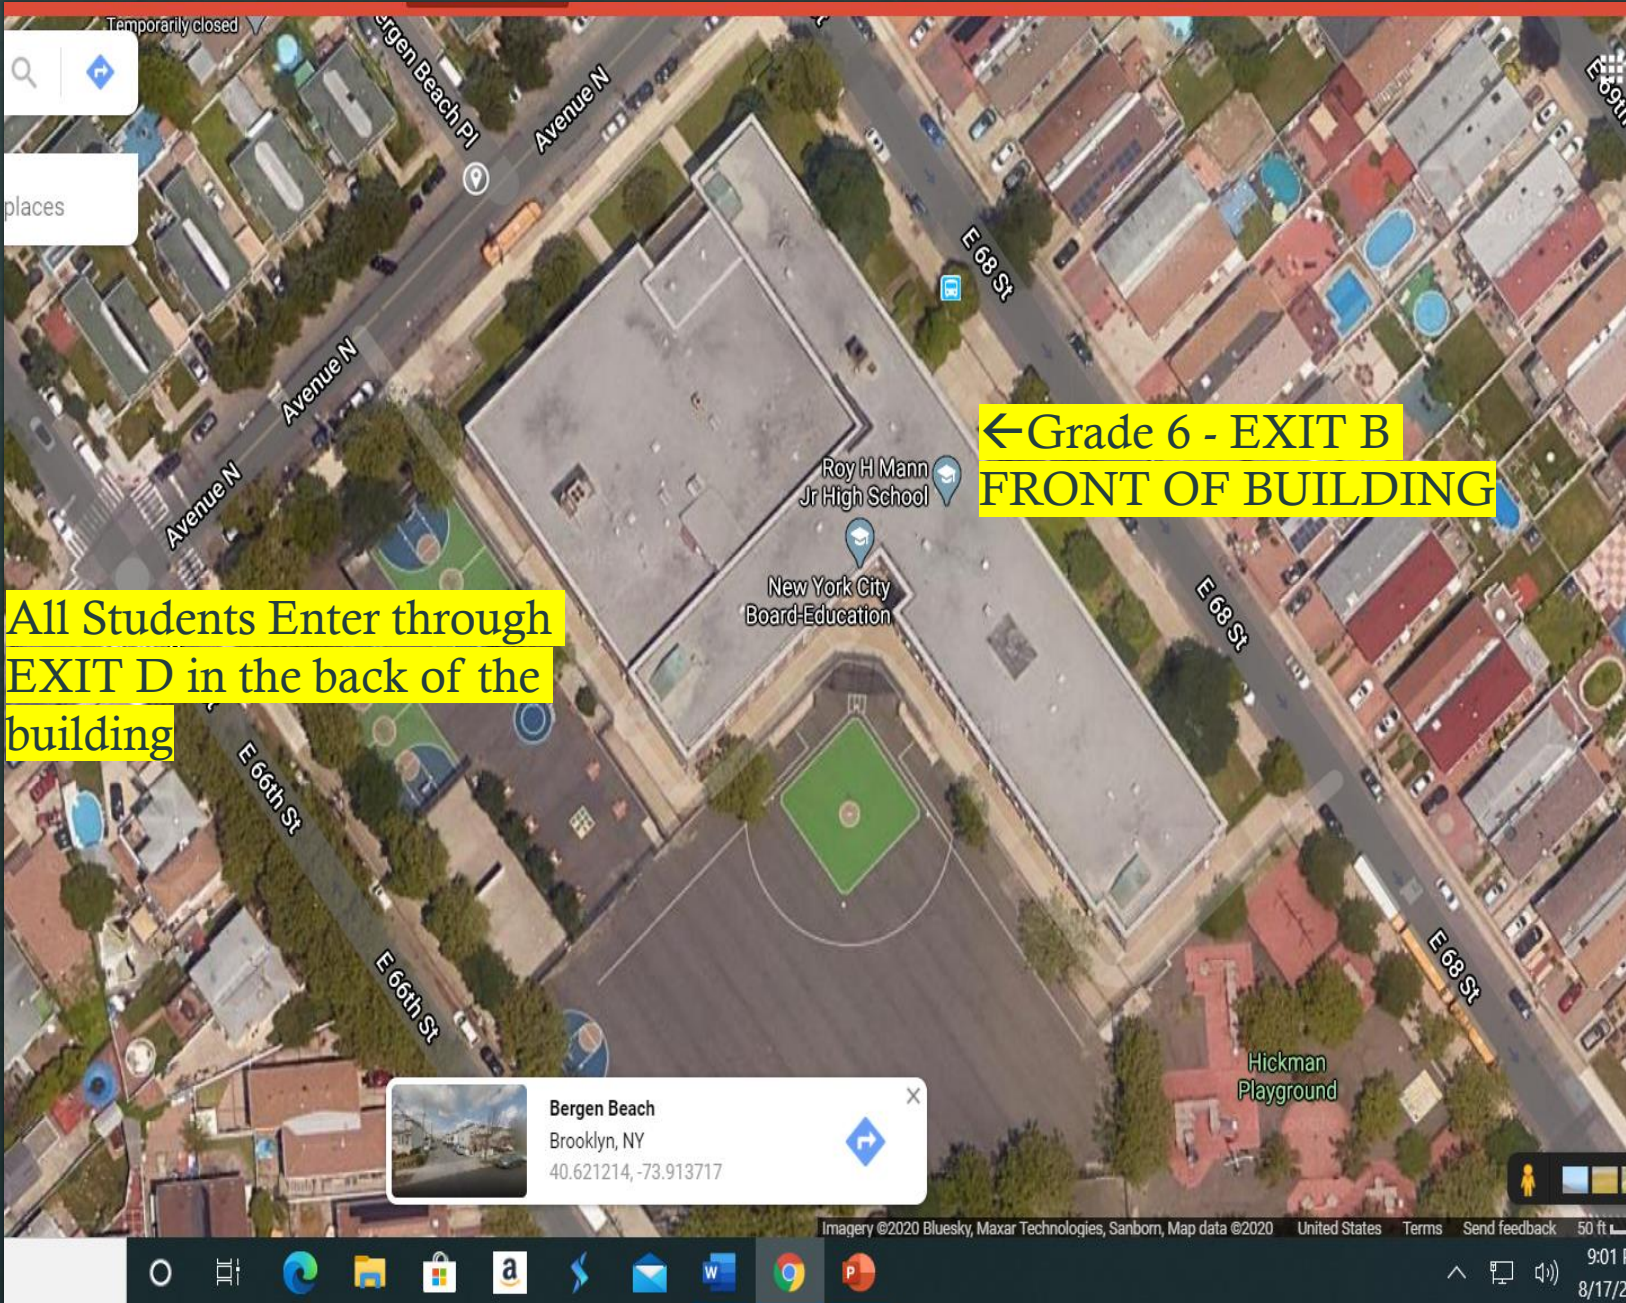

At Roy H. Mann, The School for Architectural Design and Innovative Technology, our mission is to provide all students with engaging, rigorous, and technology based learning opportunities, as well as meaningful enrichment opportunities that prepare them for college and career readiness, in alignment with the Common Core Learning Standards. In partnership with staff, families, and the community, we foster the emotional, social and intellectual growth of our students in order to prepare them to reach their full academic potential and become outstanding citizens.

Instructional Focus

We will support the social, emotional and academic learning of each student in an inclusive environment using multiple sources of data to design targeted instruction for all students which will result in improved performance.
