Mongolian's the Steppes herdsman who settled at the coast.

As the Mongol people evolved some became nomad herds men others became settlers along rivers and coastal areas. Evil feuds, robbing, raping became common between herds men. The same happened between settlers. **1 God** was dismayed.

When a Mongol settler warlord showed **1 God** qualities needed to implement **1 God's** wishes. **1 God** gave him insights, He then united the Mongol settlers. The united Mongol settlers are known as Chinese. The Chinese Warlord failed to add the Mongol herds men to his unity government. To protect the Chinese the warlord build a long Wall with towers and gates. **1 God** was disappointed.

As Mongol herds men disunity continued and Chinese unity declined. **1 God** found a herds man who was suitable and able to unite all herds men. His grandson united herds men and settlers (reuniting China). **1 God** was pleased. As time passed the Mongols turned their back on **1 God** embracing Buddhism. Again Mongol unity disintegrated (rebellion, barbarian invasion, Japanese invasion). Then came China's 'Long March'. Followed by a 'Cultural Revolution'.

Currently Mongol Province is split into China, Japan, a split Korea (invading barbarians), Siberia and Taiwan.
