

Council Members present: Chair Bobbie Jennings, Pauline Namiki, Dottie Matting, Linda Iwamoto. Excused absence: Ruth Tsukayama.

Special Guests: Assistant General Manager Joann Aoki, and PH2 Rep. Carol Coops
Residents: Hilda Remedios, Anne Sakamoto, Bernice Wong, Marie Otashi, Eva Irvine, Betty Furumoto, Patsy Matsuura, Phyllis Wolf, Harriet Rechnitz, Jan Ogawa, Grace Sakai, Paul Kilty.

The items below were discussed at the May 16 Residents/Managers/Chef meeting. No written report was received from Management, so the following items will be discussed once again:

Landscaping	Landscapers
Pathway lights	Pool
Repainting entire buildings	Enrichment Program
EcoLab	Golf Carts
Kitchen/servers	Elevators
Maintenance personnel	Generators
Housekeepers	Shopping carts
Housemen	

Old Business

1. Pathway lights: The new and old lights between Cottage 1 and the west exit door have been out for over a week, and the exit door light for 1 month.
2. Landscapers: Due to reduced number of landscapers (only 3 now), lawns and other areas are being neglected. Residents strongly request at least two more men to maintain the property. Joann reported that Leo and his 2 workers will be finishing the front water feature by the end of the week.
3. Plumeria Tree treatment: For several months now, no word from when an Arborist is coming to inspect the ailing tree. Jan will call him and schedule a date.
4. Metal strips on east wing staircases: No word if the material has arrived. West wing residents who use the stairs should be extra careful at the top landings.
5. Dog owner registration: Michael is planning to arrange for a Vet to come out and register all pets and give necessary shots.
There is still a dog owner not picking up the dog's deposit – in the lawn area just above the bridge, in front of Makai 1st floor apartments. Please keep a lookout for the guilty party and report immediately to Joann.
6. Dining room servers: There are several new hires. It is important that residents realize they are new to the job (perhaps their first job), and that learning perfection takes time. So Management is asking all residents to be patient, do NOT criticize them, and show some Aloha – say hello, ask their names....talk to them.
7. Night lights in public bathrooms: On hold for next meeting.
8. Laundry room signs: On hold for next meeting.
