"It is not the beauty of a building you should look at; it's the construction of the foundation that will stand the test of time."

David Allen Coe

Who We Are

The Friends of the Union Church began in the summer of 2014. Our purpose is to provide financial assistance to the church, to promote the church as a historical beacon for all citizens in the community, and to act as an advocate for improvement and preservation of the Union Church.

We raise money from memberships, events that we sponsor and private donations.

When you join, purchase items or participate in Friend's events, you help us provide things like:

- Scheduled cleanings
- Maintenance of the grounds
- Repairs to the structure
- Repairs to the interior
- New signage
- Special programs for children, youth, and adults
- And special services that take place in the church for the community

Contributions are tax deductible
