DESCRIPTION: IMO Shakespeare made the best overall line of bows of all archery companies. The Ocala is a great looking and performing Shakespeare all-purpose recurve. Benge and Zebra wood riser. Comfortable grip. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. No stress cracks or crazing. Some discoloration of the lower face limb. A few minor scratches and nicks here and there. Decals are in very good shape. Overall, this is a really nice bow in excellent condition for its age. This bow was put to a stress test (held at full draw for 16 hours to make sure the old glues still held and no stress cracks developed. Then taken to the range and test shot. Comes with a new rug rest and replica Shakespeare strike plate, and a new string.

The Ocala sold for \$75 in 1967 which translates to \$708 in 2025 inflation adjusted dollars.
